100th ANNIVERSARY

**TOWN OF MAYNARD
MASSACHUSETTS**

1871 - 1971

"Join the Fun in '71"

To the Good Folks of Maynard:

This Souvenir Program Book and the memories of this -- our One Hundred Birthday Celebration Week -- we hope will long remain with you, to be treasured over a lifetime. The best that is of Maynard has been brought forth for this Centennial Year -- and it must be said that ours is a community with exceptional talent and people.

From a village of less than two thousand population in 1871, we have grown into a community of just under ten thousand, vibrant with life and activity. If the past is but prologue, the future holds great promise to us and ours.

The Centennial Committee takes pride and pleasure in presenting a week of celebration for the One Hundredth Anniversary of the incorporation of the Town of Maynard, Massachusetts. We trust you will enjoy it.
