## 1972 CHAMPS

Dear Little League Champ,

The old saying that lightning never strikes twice in the same place has no merit in the AVLL Major League world of the PHILLIES. Indeed, it struck for the fifth consecutive time with our 1972 baseball championship.

The past year was one of change. The long reigning champion Sparks became the new Phillies. To many, it meant that perhaps the tradition of victory had come to an end. How wrong they were.

The season was long, the competition was tough; the joy of final victory was even more rewarding. It took 100% from each of you in every game and each of you gave your all. The new "Phillies", meeting the challenge of change, kept our unbelievable string alive and brought home the big prize.

I need not tell you how proud I am to be your manager. It gave me great pleasure to work with such a fine group of young men who could savor their victories and accept their defeats equally with the true pride of a champion. You have developed a winning attitude, an attitude I hope you will carry with you forever.

To Dave, Bernie, Dick, Bob, Ray, Steve, and Dave who will be leaving our team this year, let me offer a sincere wish for continued happiness and success. I hope you have gained some lessons for life through your association with our club.

To those of you who will be returning next year, let me say that although the snow and wind hold Memorial Field in icy grasp, the call to duty will echo all too soon and we shall begin another campaign to keep our string of championships alive.

Your manager and friend,

Bob Graham

\* Indicates 14 game season. (Regular season consists of 15 games.)

"A tip of the hat is sufficient after hitting a home run!"

"Just meet the ball, don't try to put it in orbit!"

"Do you have any cereals endorsed by second-string, substitute relief pitchers?"

"I don't recall giving you the 'take' sign!"
