REPORT OF THE BOARD OF REGISTRARS OF VOTERS

To the Honorable Board of Selectmen:

The Board of Registrars herewith submit their Annual Report for the year ending December 31, 1984.

The Annual Listing of residents was conducted beginning January 1, 1984 as prescribed by law, Chapter 51, Section 4, of the General Law. The Census was completed by the end of March. Street Lists were available by the first of May.

The Board of Registrars held extra sessions of registration of voters, prior to the Presidential Primary, Annual Town Election, State Primary and the Presidential Election, and met before each election to certify names on nomination papers.

At the close of 1984, the number of registered voters is as follows;

Precinct	Democrats	Republicans	Independent	TOTAL
1	525	150	659	1334
2	673	165	877	1715
3	623	108	663	1394
4	569	115	550	1234
	<hr/>	<hr/>	<hr/>	<hr/>
	2390	538	2749	5677

The Board of Registrars wish to thank the Board of Selectmen, Town Officials and employees for their courtesy and co-operation throughout the year.

Respectfully submitted,

Madaline K. Lukashuk  
Eino E. Nelson Chairman  
Helen E. Punch Clerk

ATTEST:  
A TRUE COPY

Helen E. Punch  
Town Clerk

This is to certify that on March 2, 1984, I have served Warrant #590 by posting an attested copy at the Post Office and one at each of ten public places in said Town of Maynard, Mass.

John E. Marcey  
Constable

ANNUAL TOWN MEETING

MONDAY, MAY 21, 1984 7:30 P.M.

MAYNARD HIGH SCHOOL AUDITORIUM OFF GREAT ROAD

Pursuant to Town Warrant #592, the Annual Town Meeting was called to order by Moderator Raymond W. Dionne on Monday, May 21, 1984 at 7:30 P.M. One hundred and sixty-three registered voters were in attendance.

Motion made and passed that no new articles be taken up after 11:00 P.M.

Article 1: VOTED: to accept the Annual Town Report.

Article 2: VOTED: YEA 111 - NEA 15 that the Town will pay various elected Town Officers in accordance with Chapter 41, Section 108, of the General Laws. Said salaries to be effective from July 1, 1984 to June 30, 1985, unless sooner changed by the vote of the Town.. For changes in personnel during this year, the salary will be pro-rated at the said rates, according to length of service. This article was amended by Arthur Filz to increase the Town Clerk and Town Treasurer-Collector job by adding an additional three and one half percent, to bring wages in line with other non-union salaried employees.

MODERATOR	100.00

Article 33: VOTED UNANIMOUSLY to mandate the placement of house numbers on each and every residence in the Town of Maynard.  
Article amended by George Whalen move to add Chapter XIVB Town of Maynard By-Laws as follows:

Every dwelling, building or structure, whether existing on the date of adoption of this bylaw or which may exist in the future, shall be assigned a street number by the Department of Public Works. The owner of such dwelling, building or structure shall be required to have such assigned number posted on his property complying with the following conditions:

1. The numbers shall be at least 4 inches in height and be of a contrasting color to the surface that they are applied.
2. The numbers shall be clearly visible from the street or roadway upon which the building faces.
3. The numbers may be placed on the structure itself or on a suitable support near the entrance to the structure. If the numbers are placed on a roadside mailbox, numbers must be visible for approach from either direction.

4. It shall be the property owner's responsibility to obtain the correct number for his property from the assigning authority.
5. The expense for such numbering shall be borne by the owner of the property.
6. Street numbers may be changed as deemed necessary and appropriate by the assigning authority allowing thirty (30) days for compliance.
7. The owner of any structure affected by this by-law shall comply with its provisions within sixty (60) days of its passage at town meeting.

Any owner violating any provisions of this by-law may be fined not more than ten \$10.00 dollars for each offense. Each day that such violation continues shall constitute a separate offense.

Article 34: VOTED UNANIMOUSLY that the Town accept the provisions of Section 41B of Chapter 41 of the General Laws. Finance Committee Recommends.

Article 35: VOTED UNANIMOUSLY as printed in the warrant - agreement entered into pursuant to Chapter 513 of the Acts of 1966 by and among the City of Marlboro and the towns of Berlin, Hudson, Maynard, Northboro, Southboro and Westboro.

Motion made by John J. Tobin to adjourn at 10:30 P.M. Motion passed.

I enclose the amendment to general by-laws adopted under Article 33 of the warrant for the Maynard Annual Town Meeting held May 21, 1984, with the approval of the Attorney General endorsed thereon.

very truly yours

Henry F. O'Connell  
Assistant Attorney General

Boston, Mass.

September 14, 1984

The foregoing amendment to the general by-laws adopted under Article 33 of the warrant for the Maynard Annual Town Meeting held May 21, 1984, is hereby approved.

Francis Bellotti  
Attorney General

SPECIAL TOWN MEETING

TUESDAY, MAY 22, 1984

MAYNARD HIGH SCHOOL AUDITORIUM OFF GREAT ROAD TIME: 7:30 P.M.

The Special Town Meeting was called to order by Moderator Raymond W. Dionne on May 22, 1984 at 7:30 P.M. and who declared that a quorum was present. One hundred and sixty-eight voters were present.

A moment of silent meditation was observed, guests were acknowledged and admitted. The workings of the secret ballot was explained by the Moderator.

Motion made and passed to waive the reading of the warrant as a whole.

Motion made and passed that no new articles be taken up after 11:00 P.M.

Motion made by Mark Waldron that Article #1 be taken up after Article #15. Motion passed.

Article 2: VOTED: YEA: 126 NEA: 18 BLANKS: 3 VOTED UNANIMOUSLY that the Town will transfer from Free Cash the sum of \$10,000.00 for survey, engineering and all related work incidental to the preparation of and revisions to plans of the Rayowin Trust Land, site of the closed Maynard Sanitary Landfill located on Waltham Street and further to obtain a current appraisal as the value of said land.

Article 3: VOTED UNANIMOUSLY that the Town will transfer from Free Cash the sum of \$20,740.89 to cover the deficit in the Interest Account.

Article 4: VOTED UNANIMOUSLY that the Town authorize the Board of Public Works to accept the sum of \$12,500.00 that was set up in two escrow accounts for Street Lighting on Durant Avenue and Nick Lane in the Silver Hill II, Revised Subdivision.

The first account is for the amount of \$7,500.00 that is contained in Pass Book #37 - 115646-4, dated April 12, 1983 with the Mutual Bank for Savings. The second account is for the amount of \$5,000.00 that is contained in Pass Book #37 - 117285-9, dated July 26, 1983 with the Mutual Bank for Savings. These sums shall be added to the present Fiscal 84 appropriation for Street Lighting and to further authorize the Board of Public Works to do all things necessary to carry out this vote.

Article 5: VOTED: YEA: 126 NEA: 20 BLANKS: 5 VOTED UNANIMOUSLY that the Town provide additional funds for the FY84 Street Lighting Account by transfer from Free Cash the sum of \$18,000.00 for this purpose.

Article 1: VOTED: YEA: 121 NEA: 39 (106.6 votes required for a 2/3 vote) authorizing the Town of Maynard to purchase, pursuant to Mass. General Law Chapter 61A, Section 14 the following parcels of land. Money to come from transfer from the Sale of Real Estate Account.

Lot A shown on a plan entitled "Land in Maynard", surveyed for Alvin H. Fletcher by Horace F. Tuttle, March 7, 1945 bounded and described as follows:

Beginning at the southeasterly corner of the granted premises at the northeasterly corner of Lot C on said plan at a stone wall at land now or formerly of Warren Mason; Thence S 63° 10' W, two hundred forty (240) feet to the easterly line of Lot B on said plan; Thence turning and running N 31° 45' W, one hundred forty-eight (148) feet along the easterly line of said B; Thence turning and running S 55° 48' W, one hundred forty-eight (148) feet along the northerly line of said Lot B to a stake; Thence turning and running S 36° 42' E, three hundred (300) feet along the westerly line of said Lot B to a stake at the northerly side of said Summer Street; Thence turning and running S 68° 30' W partly by a wall on the northerly side of said Summer Street, two hundred sixty-nine (269) feet to land now or formerly of Martha Rich; Thence turning and running along the wall N 35° 45' W, thirty-eight (38) feet and N 19° W, eight hundred five (805) feet by land of said Rich and land now or formerly of Harriet G. Bird; Thence running along the Wall N 8° 50' E, ninety-four (94) feet and N 20' E, five hundred three (503) feet by said Bird land to a corner of the wall; Thence turning and running along the wall S 32° E, two hundred eighteen (218) feet by said Bird Land and S 31° 45' E, nine hundred fifteen (915) feet along the wall by land now or formerly of Warren Mason to the point of beginning.

Containing 11.2 acres more or less; deed recorded in Book 6846, Page 69 of the Middlesex South Registry of Deeds and Lot B shown on a plan entitled "Land in Maynard", surveyed for Alvin H. Fletcher, by Horace F. Tuttle, March 7, 1946 bounded and described as follows:

Beginning at the southwesterly corner of the granted premises at a stake on the northerly side of said Summer Street at land of the grantees, shown as Lot A on said plan; Thence running N 36° 42' W by land of the grantees, three hundred (300) feet to a stake; Thence turning and running N 55° 48' E by land of the grantees, one hundred forty-eight (148) feet to a stake; Thence turning and running S 31° 45' E partly by land of the grantees and partly by Lot C on said plan, three hundred thirty-four (334) feet to the wall on the northerly side of Summer Street; Thence turning and running S 74° W partly along said wall, one hundred twenty-three (123) feet to the stake at the point of beginning;

Containing one acre of land, more or less, the deed is recorded in Book 6896 Page 66 of the Middlesex South District Registry of Deeds; and to transfer from the Sale of Real Estate Account the sum of \$115,000.00 for such purchase and to authorize the Board of Selectmen to execute any and all documents necessary thereto.

Article 6: VOTED UNANIMOUSLY that the Town transfer \$10,000. from the Dept. of Public Works FY84 Salary Account to the Dept. of Public Works FY84 Expense Budget.

Article 7: VOTED UNANIMOUSLY that the Town authorize the Board of Public Works to make repairs to the Municipal water System by replacing the vacuum pump at White Pond, along with all related work; to install the 10 inch surge control valve at Winter Street, along with all related work; and to transfer the sums of \$3,514. from Article 2 of the September, 1981 Special Town Meeting, entitled "Tuttle Hill Water Search" and \$13,992.92 from Article 13 of the September, 1982 Special Town Meeting entitled "Parker Street Water Main" to accomplish said purposes; and further to take any and all other acts necessary or relevant thereto.

Article 8: VOTED: YEA: 131 NEA: 16 BLANKS: \$18,000.00 from Free Cash (98 votes required for a 2/3 vote) that the Town accept and establish as a Town Way, Riverview Ave., located a distance of about 750+ ft., southerly from Assabet St., as shown on a plan filed in the office of the Town Clerk, and to approve acceptance of the layout of said way by the Board of Public Works, acting as Road Commissioners, under the provisions of Chapter 79-80-80A-82 and 83, as amended relating to the laying out of said ways and assessments of betterments, and to acquire by eminent domain or otherwise, any necessary or other interests in such land to transfer from Free Cash a sum of \$18,000.00 for such acquisition, engineering, plans and for the constructing of said way; and to authorize the Board of Public Works, acting as Road Commissioners, to take any and all acts and to execute and record any and all documents necessary or related to the accomplishment of said purpose. Planning Board Recommends.  
Finance Committee Recommends.

THE ABOVE WAS PASSED BY A SECRET 2/3 VOTE AS REQUIRED BY THE MAYNARD TOWN BY-LAW.

Article 9: VOTED: YEA: 142 NEA: 6 (98.6 vote required for a 2/3 vote) that the Town accept and establish as a Town Way, White Avenue - \$9,600. to come from Free Cash located a distance of about 400+ ft. southwesterly from Driscoll Ave., as shown on a plan filed in the office of the Town Clerk, and to approve acceptance of the layout of said way by the Board of Public Works, acting as Road Commissioners under the provisions of Chapter 79-80-80A-82 and 83, as amended, relating to the laying out of said ways and assessments of betterments; and to acquire by eminent domain or otherwise, any necessary or other interest in such land and transfer from free cash, a sum of \$9,600.00 for such acquisition, engineering, plans and for the constructing of said way; and to authorize the Board of Public Works, acting as such Road Commissioners to take any and all acts and to execute and record any and all documents necessary or related to such purposes. Finance Committee Recommends.

THE ABOVE WAS PASSED BY A SECRET 2/3 VOTE AS REQUIRED BY THE MAYNARD TOWN BY-LAW.

Article 10: VOTED: YEA: 108 NEA: 45 (102 votes required for a 2/3 vote) to authorize the Board of Public Works to extend the municipal sewer system on Assabet Street from Riverview Avenue easterly to the end and on Shore Avenue from Assabet St. southerly to the Stow Town Line, subject to assessment and betterment in accordance with Chapter 340, Acts of 1916, and all other acts in amendment thereof, and to BORROW UNDER THE AUTHORITY OF CHAPTER 44 OF THE M.G.L. the sum \$201,000.00 to construct some 2,500 linear feet, more or less, of 8" gravity pipe and 4" force main and sewage lift station as a part of such municipal sewer system extension; and to acquire by eminent domain or otherwise such easements or other fee interests in land necessary therefor and to further authorize the Board of Public Works to take any action relative thereto and to execute and record any and all documents necessary or relevant to such purpose. Finance Committee Recommends.

THE ABOVE WAS PASSED BY A SECRET 2,3 VOTE AS REQUIRED BY THE MAYNARD TOWN BY-LAW.

Article 11: VOTED: YEA: 138 NEA: 12 (100 votes required for a 2/3 vote) that the Town BORROW UNDER THE AUTHORITY OF CHAPTER 44 OF THE M.G.L. THE SUM OF \$1,100,000.00 to defray any costs incurred in the undertaking of a capital improvement program submitted in accordance with the 201 Facilities Plan as outlined below:

Said sum of money to provide for the construction of additions to the Water Pollution Control Plant to upgrade such plant and to further provide for any incidental costs related thereto; to authorize the Board of Public Works to apply for, accept and expend any and all Federal or State Aid which may be available for such purposes or to do or act on anything relative thereto, Said Funds are in addition to the \$4,250,000.00 appropriated by Article 20 of the September 27, 1982 Special Town Meeting. Finance Committee Recommends.

THE ABOVE WAS PASSED BY A SECRET 2/3 VOTE AS REQUIRED BY THE MAYNARD TOWN BY-LAW.

Article 12: TOWN VOTED UNANIMOUSLY to accept the article as printed in the Warrant. Fire FY84 Department Transfer-the sum of \$6,000.00 - \$5,300.00 to the Fire Department Expense and \$700.00 to Uniform Allowance.

Article 13: VOTED UNANIMOUSLY. Motion by Fire Chief Whalen that article be accepted as printed in the warrant-Acceptance of Chap. 148, Section 26g (Sprinkler System).

Article 14: VOTED UNANIMOUSLY that article be accepted as printed in the warrant, except to change XIV Section 14, to be changed to XIV Section 15, Enforcement and providing for handicapped parking.

Article 15: VOTED UNANIMOUSLY as printed in the warrant. EX POW'S EXEMPTION FROM EXCISE TAX.

Finance Committee Recommends.

THE ABOVE WAS PASSED BY A SECRET 2/3 VOTE AS REQUIRED BY THE  
MAYNARD TOWN BY-LAW.

Motion made by John J. Tobin to adjourn at 9:00 P.M.

Motion passed.

## REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen:

The Maynard Council On Aging submits the following report for 1984:

In 1984 our office served a large number of elderly with our services and programs. We have an elderly population of 1800 in Maynard. We had 1579 calls to the office; the Drop-In Center had 500 participants; the Blood/Pressure Clinic served 770; the Flu Clinic and Hearing Clinic, 260; 5933 Meals were served at the Nutrition Site; Home-delivered meals for the elderly 60 years of age and older who are physically unable to get to the meal-site, number 5850; 90 applicants for the Fuel Program.

Our office has grown and a Senior Aide, Ruth Fayton Burke, was hired through the Older Americans Act, to assist Information/Referral Specialist, Terry Paladino.

The Van driver, Ray Fox, resigned and a new Van driver, Sammy Seel is doing an excellent job for us.

Our Drop-In Center continues in operation every Tuesday at the Union Congregational Church on Main Street. We provide coffee, donuts, and a light lunch at noon. The Center is a popular gathering place to play cards and socialize. On the second and fourth Tuesday of each month, a Blood/Pressure Clinic is held through the cooperation of the Maynard Board of Health and Emerson Hospital. We are grateful to Reverend Robert Wood and the trustees of the Union Congregational Church for the use of the facilities.

One of our Council members, Frank Nee resigned as he is moving to New York to be with his family. His dedication to the needs of the elderly in Maynard benefitted the Town of Maynard.

We wish to thank the Selectmen, the Department of Public Works, and all the Town Boards for their cooperation during 1984.

Respectfully Submitted,

Anne M. Duclos, Chairwoman  
Noble Morton, V. Chairman

Report of the Maynard Housing Authority  
To The Honorable Board of Selectmen

Herewith is the Report of the Maynard Housing Authority for the year ending December 31, 1984.

At this time the Authority's three Elderly & Handicapped Developments are fully occupied. Powder Mill Circle (fifty-six units), Concord Street Circle (fifty-six units), and Summer Hill Glen (thirty units). In 1984 there were seven new tenants in Powder Mill Circle, three new tenants in Concord Street Circle and two new tenants in Summer Hill Glen.

The HUD Low Rent Family Development, Dawn Grove (thirty-two units), is also fully occupied at this time. There were nine new tenants moved into this Development in 1984.

The Authority also subsidizes ten scattered site units funded under the State's 707 Rental Assistance Program and thirty scattered site units funded under the State's Section 8 Mobility Program.

The Additional Parking Area at the Concord Street Circle Development was completed on July 1, 1984. This additional area provides parking spaces for twenty-two cars.

State Appointee, Florence Tomy1 was re-appointed to the Board on June 26, 1984.

At the December 19, 1984 Board Meeting a letter of resignation from Frank W. Nee was regretfully accepted.

For information relative to Low Income Housing for Elderly & Handicapped or for Families, please contact the Executive Director at the Authority Office, Powder Mill Circle, Monday through Friday from 8:30 A.M. to 4:00 P.M. Telephone No.897-8738.

Respectfully submitted,

Stanley D. Nowick, Chairman  
Sadie Sluyski, Treasurer  
John Piantedosi, Asst. Treasurer  
Florence Tomy1, Secretary

## BOARD OF HEALTH

To The Citizens of Maynard:

The Board of Health hereby submits its report for the year ending December 31, 1984:

The Board issued the following permits for calendar year 1984:

Food Service Establishments	53
Temporary Food Service Permits	5
Mobile Food Service Permits	1
Milk & Cream Licenses	51
Retail Food Certificates	12
Ice Cream Licenses	3
Motel License	1
Disposal Works Installers' Permit	0
Disposal Works System Permit	1
Plumbing Permits	118

Some additional projects were undertaken or continued by our Board. Among them are:

1) During calendar year 1984 a great deal of time was spent working on the final closure of the Waltham Street landfill. Bid documents were prepared during the Spring; but the continued question of ownership of the land and easements needed to backfill on adjoining properties forced a postponement of the bid process. At present the Board of Health has accomplished the following:

a) Requested that the town hire an appraiser to put a value on the land.

b) Held a meeting with DEQE and the affected parties to work up a revised schedule for completion.

c) Authorized our design engineer to start preparation of a final revised plan for the closure of the landfill.

d) Finally, as of January 18, 1985 no additional clean fill is being allowed into the landfill.

The Board anticipates having an article for appropriation of funds for final closure of the landfill at the special town meeting and anticipates completing closure by October 1985.

2) The Board of Health played a role in recent developments regarding the Assabet River Sludge Project. A request for approval from the Acton Zoning Board of Appeals for locating the sludge was denied by Acton. Accordingly, our Board filed appeal in Concord District Court to that decision.

3) In the Spring of this year a Lead Blood Level Screening Clinic was hosted by our Board for the benefit of Maynard children. No positive levels were detected.

4) Our Board was contacted by and agreed to offer our facilities for monthly use by the South Middlesex Opportunity Council to conduct a WIC Nutritional program for the benefit of

women, infants, and children in our Town.

5) Our Board made the initial inquiry and requested an engineering survey from the State Department of Public Health regarding fluoridating the Maynard Public Water Supply. A decision to order or not to order fluoridation will not be contemplated until 1986.

6) Our Board continued to investigate numerous housing complaints and to continue an ongoing restaurant inspection program. We participated in a state wide State Department of Public Health run food analysis program aimed at generating information to establish bacterial standards for the food industry. We anticipate an increased need for work in the food inspection area as the State regulations are scheduled to be changed during the Spring of 1985.

The Emerson Hospital Home Care nurses provide a variety of care services which include well-child clinic, blood pressure screening, and influenza clinic. A full report of their services is detailed in the Town Report.

We continue to support Code Hotline, which provides information, referral, short-term counseling and crisis' intervention to the residents of Maynard.

Elliot Community Mental Health Center continues to provide many psychiatric counseling services for Maynard families. Among these services are counseling on alcohol and drug abuse.

The flu clinic was provided for the elderly with a total of 311 immunization shots available.

The rabies clinic was held on Saturday, April 7, 1984 at the Public Works Garage, at Winter Street. Dr. Kenneson vaccinated a total of 61 dogs at a minimal charge.

We will continue to look out for the best interests of the citizens of Maynard and look forward to input from the people of Maynard.

Respectfully submitted,

Anne Marie Desmarais,  
Chairman  
Dr. Roger Peduzzi  
John Colombo

EMERSON HOSPITAL HOME CARE  
Town of Maynard  
Annual Report - 1984

Emerson Hospital Home Care is a Medicare certified provider of home health care whose aim is to provide high quality care in the home. Our services include: visiting nurses, home health aides, physical therapy, occupational therapy, speech therapy and medical social services. In 1984 4,641 home visits were made to Maynard residents.

The purposes of Home Care are to assist in the successful recuperation of patients at home following surgery, accident, or illness; to assist elderly patients so they may remain independent as long as possible; to enable patients suffering from terminal illness to die with dignity in the comfort of their own home; to provide community health services in accordance with our contract with the Board of Health.

The contract with Maynard includes communicable disease control, maternal and child health, and preventive health services. In addition, the town provides some monies for home visits to ill individuals who cannot afford to pay for needed services. Medicare and private insurance do not always pay for these services.

The Well Child/Drop In Clinic has an average of 9 children. The clinic continues to be held twice a month except during the summer when it is held monthly.

There was only one case of reportable communicable disease. Preventive health services such as the Flu Vaccine Clinic and Sixty Plus Health Clinic continue to be popular. The amount of vaccine administered increased by six percent. The number of health clinic visits increased by 23 percent. An educational program concerning blood pressure was held at one of the health clinics.

The provision of services through our contract with the Board of Health are as follows:

Home Visits

Communicable Disease	0
Health Promotion	10
Acute and Chronic Illness	20
Maternal and Child Health	2
Medical Social Service	60
	<hr/>

VETERAN'S SERVICES  
REPORT OF  
THE ZONING BOARD OF APPEALS

1984

The Zoning Board had a dramatic increase in the number of cases heard in 1984. We heard 5 requests for permits and 35 requests for variances totaling 40 cases. In contrast only 14 cases total were heard in 1981. Of these, part or all of the request was granted in 34 of the cases and totally denied in 6 of the cases.

The reason for the great increase in requests is the recent change in banking regulations and requirements for granting a mortgage. This affects primarily houses built prior to 1950 on small lots, of which there are many in Maynard. We expect to see this high case load continue for many years unless the banking regulations become less rigid.

The Board has adopted more stringent filing requirements this past year to improve the ability of the Board to properly advertise a request and make better decisions. One element is the necessity of submitting a certified plot plan with a variance request. In addition the instructions for filing were re-written to try to give the applicant a better understanding of what he must do to file and what he needs to present before the Board.

Edward Bruckert, Chairman  
Malcolm Houck  
Deborah Calareso  
Taylor Dueker

# VETERAN'S SERVICES

MUNICIPAL BUILDING

MAYNARD, MASSACHUSETTS 01754

VETERANS' AGENT  
ALFRED S. CAREY

TO

TO THE HONORABLE BOARD OF SELECTMEN:

The Veterans' Services Department helps veterans and their families in times of hardship and distress.

This help is contingent on the General Laws of the Commonwealth of Massachusetts.

In 1984, we assisted many veterans with applications for education, business, home loans, pensions and compensations. We helped with admissions to Veterans' Hospitals.

For hospitalization, Veterans must present them to any V.A. hospital, with their discharge, where they will be processed according to V.A. regulations.

My thanks to the officials and departments of the Town who have helped this department during the year. I am grateful to the Maynard Veterans' Council, Post 1812 of the Veterans of Foreign Wars and American Legion Post 235 for decorating graves and memorials on Memorial Day and on Veterans' Day. Special thanks to our Police and Fire Departments, and the children who are making an effort to honor the Veterans and those who have gone before us in their partition in the Memorial and Veterans Day Parades.

Respectfully Submitted

Alfred S. Carey Jr.

## ARTS LOTTERY REPORT

To the Honorable Board of Selectmen

The Maynard Arts Lottery held meetings on April 3, April 17, October 21 and October 26 to review and vote upon funds to be received by applicants from the Community involved in the arts. Annually, two rounds of funding are dispersed from the State (January and July). Previous to each group of meetings, townspeople were notified of the availability of applications at the Maynard Public Library via press releases and posters.

The following groups and individuals were the recipients of grants from the Massachusetts Arts Lottery during the year 1984:

1. Maynard Community Band (space for winter practice and recitals) \$500.00
2. Children's Discovery Museum (Library Pass) 250.00
3. Fowler Jr. High School (Visiting Artists Program) 300.00
4. The Centre for Performing Arts Dance Co. (Mikes, cables, equipment) 500.00
5. St. Bridget's School (Arts Festival) 1000.00
6. Rick Maida (Street Performance) 500.00
7. The Children's Discovery Museum (Storyphone) 250.00
8. Maynard High School (Guest Musicians) 175.00
9. Maynard High School (Shorewood Art Visuals) 375.00
10. Maynard Public Library (Guest Storyteller) 250.00

The following projects were approved at the local level during the October, 1984 meetings for funding in 1985.

1. Rick Maida (The Maynard Park Performances) 1000.00
2. Maynard High School (Meet the Author) 300.00
3. Children's Discovery Museum (Fingerpainting with light) 300.00

Respectfully submitted,

ARTS LOTTERY COUNCIL

Deirdre Grunwald,  
Secretary

## REPORT OF THE BOARD OF ASSESSORS

---

To the citizens of Maynard:

This past year has been very difficult for us. Due to the legislation of Proposition 2 1/2, Chapter 797 (Classification), and lack of staffing, and State Supreme Court's Sudbury Decision, our office has become one of the busiest. To cope with all of this, the board has done several things to improve performance. Some of which are:

- 1) Requested an assistant assessor to assist in setting values and managing the office.
- 2) Worked to have the Town purchase a computer. (At the request of the Finance Committee, We turned over responsibility to the Selectmen in order to co-ordinate all town requirements)
- 3) Established the requirements for a professional revaluation firm. Wrote the RFQ (Request For Quotation) for a complete revaluation of the Town as of 1/1/85 to assure compliance with all state and court requirements for 100% valuation.
- 4) Organized the task of recertification by the State Dept of Revenue (DOR) of our values as of 1/1/84 (We received certification). This permitted the Tax Bills to go out on time for the first time since 1977.
- 5) Wrote the contract , and contracted a revaluation firm to do a 100% reval of the town as of 1/1/85, and obtain accurate parcel information required for the new computer, that was approved by the State DOR.
- 6) Organized, outlined, selected a programmer, and recommended the systems & programs that the office would use on the new computer: to establish values, to keep all property information up to date, etc (see below for details).
- 7) Organized, outlined, and had rewritten several programs for the old computer system to process current tax bills.

- 8) Bought a personal computer for the office because of delays in making the new main computer system available to us. This tool made possible our getting the tax bills out on time.
- 9) We have updated all of the Assessor's maps for the first time in several years to give a current representation of the town's tax base. The Maps will have, for the first time, the location of the buildings on each parcel

The computer was approved by the voters at last year's Town meeting and has been purchased by the Selectmen. We had hoped to have it up and running by the Nov 85 tax bills but this does not now seem possible.

The Selectmen had chosen AMSI Corp to do the programming, but they are now substantially behind schedule. The Assessors' office has been asked to make a new recommendation on the course to take in order to get us back on schedule. We hope to make this recommendation by the first of the year.

The computer will be used by the Assessors' office to:

- 1) Make available all public information, while permitting confidential information to remain confidential but easily accessible
- 2) Allow easy access to information by the public for comparisons of their homes or businesses to others in the Town
- 3) Keep all files current of both owner and physical information
- 4) Allow timely analysis of trends in neighborhoods that can be acted upon before decay sets in.
- 5) Allow analysis of financial trends in the town permitting tax rate projections as well as long range planning by the Finance Committee
- 6) Allow "What if" projections to be made on proposed zoning by-laws, project developments, etc.

The computational power of the computer will be a great aide in setting values for each piece of property based on their potential sales value. We will use it to track all the sales in the town and to compare the sold properties by different characteristics whose value we will then use to set all the remaining properties in town. The term for this process is Multiple Regression Analysis.

Sales value is the certifiable approach to assessing now instead of either the cost or income approaches (the income approach does not apply to residential property). The following will give you an example of the difference:

#### COST:

If you built a house for \$20,000 then we would assess it for \$20,000. If it cost \$500,000, then it would be assessed for \$500,000. (We do modify these values to take into account depreciation as the house ages.)

#### SALES:

If you could build a house for \$20,000 and sell it for \$100,000, then we would have to assess it for \$100,000. If, on the other hand, you were to build a home for \$500,000 but were only able to sell it for \$100,000, then we would have to assess it for \$100,000. Although this is an extreme, it shows the reason why some homes suddenly jumped 20 ,50 or 100% in value.

The effect of the change is to raise the older homes to a value more consistant with their true market value. Some people were absolutely horrified by this sudden rapid increase in value from the old system to the new. But the actual increases in taxes has been small and, in some cases, less.

One of our other tasks is to keep the values as close to 100% as possible. This is not only required but in the Town's best interest. Under Proposition 2 1/2 we are only allowed to raise taxes to 2 1/2% of the total of all property values in town, minus any exempt property (i.e. churches, town buildings etc.). The first reaction of most is "Keep the value down and we'll spend less". While this is true, it would not be our place to take the power to spend away from Town Meeting. The Assessors do not have the power, nor wish the power, to raise more than that voted by Town Meeting. Should they vote less, we will raise less; should they vote more, we will raise as much as is legally possible.

#### RECAPITULATION OF THE TAX RATE-FY85

Total amount to be spent	\$11,007,751.19
Total income from other sources (cherry sheet, fines, fees, etc)	\$4,983,273.19
Net amount to raised by taxation	\$ 6,024,478.00

=====

#### TAXES TO BE RAISED BY CLASS-FY85

CLASS	VALUE	* %	RATE	TAXES	* %
Residential	\$189,052,507	74.6	21.41	\$4,047,354	67.2
Open Space	2,027,114	.8	21.41	43,398	.7

```

All owners of taxable personal property must file a FORM OF LIST with the Assessors before 1 March of each year for property owned as of 1 Jan of the same calendar year. This form can be obtained at the Assessor's office during the day. (Chapter 59, Section 29)

All requests for abatements must be filed with the assessors within 30 days of the fall tax bill's issue date. Certain exemption applications may be filed as late as 15 DEC. (consult the assessor's office)

We wish you all a happy and prosperous 1985.

Respectfully submitted,

The Board of Assessors

Anthony Maria, Chairman  
Steven Pomfret, Treasurer  
Dick Downey, Secretary

ANNUAL REPORT  
OF  
BUILDING INSPECTOR

The Maynard Building Department had another extremely busy year issuing permits and making the necessary inspections.

We issued a total of 190 permits during 1984.

	VALUE
20 permits for 20 Single Housing Units	\$1,145,000.
3 permits for 19 Condo Housing Units	900,000.
6 permits for Business Buildings	3,070,500.
103 permits for Remodeling and Additions	414,750.
11 permits for Industrial Remodeling	1,124,000.
1 permit Parking Deck	556,000.
1 permit Sewer Treatment Plant	4,280,000.
41 permits for Wood Stoves	
4 permits for Pools	

During 1984 the Town of Maynard increased its housing units by 39 and our taxable base by \$6,654,250.

We would like to thank all other boards for their help and cooperation during this calendar year.

Respectfully submitted,

RICHARD ROGGEVEEN  
Building Commissioner

CHARLES WILLETT  
Asst. Building Commissioner

## REPORT OF THE BY-LAW COMMITTEE

To the Honorable Board of Selectmen

The By-law Committee was not very active in 1984, holding only one meeting. However, as the only active member, I was able to get the By-laws retyped reflecting all the By-law changes since 1976.

As of this writing, the books are being printed and assembled and will be available to all boards and committees by the end of January. The books will also be available to the general public for a nominal fee.

I wish at this time to thank former members Ronald Cassidy and Paul Cowen for their contributions to this effort.

Respectfully submitted,

Mary R. Derie  
Secretary

ANNUAL REPORT OF THE MAYNARD CONSERVATION COMMISSION  
FOR 1984

As in preceding years the Commission was kept busy with administration of the Wetlands Protection Act. As the scarcity of good building land increases, encroachment on the wetlands also increases, making approval of plans more difficult. During the year the Commission held 18 Regular Meetings, 9 Special Meetings, as well as many site inspections. A total of 8 Public Hearings were held under the Wetlands Protection Act.

The new D.E.Q.E. Wetlands Regulations adopted in 1983 is still confusing in many cases and has created a need for several workshops which were held by D.E.Q.E. and the Association of Conservation Commissions. These were attended by several members of the Commission.

The Commission was fortunate to have the volunteer assistance of Carl Cathcart, a professional arborist, to evaluate the condition of a number of our town shade trees that were slated for removal. As was stressed in our Open Space Plan, the Commission has been interested in the proper maintenance of town plantings.

An important Wetlands Hearing held was that for the proposed Summer Street Playground which is slated for construction in 1985. This not only will provide a recreation facility for that end of town, but also help alleviate flooding in the area.

The Commission has made several contacts in the process of acquisition of land for Open Space which are pending at this time. Certain parcels are in process of acquisition in the way of gifts to the Town.

Although the Commission has not directly been involved with enforcement of clean-up of oil spills in the Assabet River, it has been in touch with D.E.Q.E. for assistance in requirement of proper protective measures.

During the year new members Arthur Yarranton and Ruth Regan joined the Commission. We wish to thank all those who helped us with our work throughout the year.

Respectfully submitted,

Edward L. Boyce  
Ruth Regan  
Sheila L. Sweeney  
Arthur Yarranton  
Walter E. Carbone, Chairman

REPORT OF THE DOG OFFICER FOR THE YEAR 1984

To the Honorable Board of Selectmen

There were 184 dogs picked up and 170 tickets issued.

We wish to remind all residents and dog owners that there is an enforceable leash law in the Town of Maynard.

Between the hours of 7:00 A.M. and 8:00 P.M. all dogs are to be restrained.

Respectfully submitted,

Leslie E. Boardman  
Dog Officer

## REPORT OF THE FIRE CHIEF

During the year 1984 your Fire Department responded to 1,278 calls. This is a 4% increase in calls over 1983. During the year we had two multiple alarm fires. We had a 2 alarm fire on Main Street in August, which was brought under control quickly, saving the building. We had a very serious 3 alarm fire on Hillside Street in September, which destroyed the building. We have given and received mutual aid several times during the year. Because of continuity in training procedures, Maynard and its surrounding fire departments are able to work together effectively. We could not survive without mutual aid.

On August 30, 1984 Chief George F. Whalen retired from the Maynard Fire Department after more than 32 years of faithful service. Chief Whalen was appointed a firefighter on May 1, 1952, promoted to Captain on May 1, 1960 and appointed as Chief of Department on May 8, 1968, making him the first full-time Chief of the Maynard Fire Department. Chief Whalen was a dedicated, conscientious member of the Fire Service. He was a very progressive Fire Chief who introduced many new programs to the Maynard Fire Department. He was later appointed by the Governor to the Massachusetts Fire Training Council. We will miss his quiet gentle leadership. We wish him many healthy and happy years of well deserved retirement.

In August we sent Engine 1 out for pump service. It was determined that the fire pump needed extensive repairs and updating. This resulted in an unbudgeted expense of \$5,000.00. Hopefully, this will extend the useful life of this piece of apparatus.

This year we had a serious problem obtaining parts to repair our 1963 Pirsch Ladder Truck, which is now 21 years old. This vehicle is scheduled to be replaced in 1988. Funds should be budgeted in FY-87 so that the replacement vehicle will be in service by 1988.

In April the water tank on our 1980 Brush Fire Truck developed many leaks making it impractical for repairs. Unfortunately, the original contract had specified a ten year guarantee. We received a new plastic tank with a year guarantee, at no cost to the town.

We started a new program in which we repair and refinish rusted areas on our apparatus before the damage becomes extensive and require large expenditures for

repairs or replacement.

Two new Firefighters, Michael T. Lyons and William H. Soar III, were appointed to the fire department as replacements due to retirements and promotions. These two Firefighters attended the Massachusetts Fire Academy Basic Recruit Course in November and December and graduated on December 21, 1984. Both received excellent grades and recommendations.

Again this year, the Maynard Fire Department gratefully acknowledges a very substantial gift from Ann Duclos, in memory of her husband, Milton Duclos. By her generosity we were able to purchase camera equipment, which will be helpful to us in our Fire Prevention, Fire Investigation and Fire Safety Education Programs. The Maynard Fire Department and the Town of Maynard are most grateful to generous people like Ann.

In October we were confronted with gasoline leaking from an underground storage tank at one of our local service stations on Main Street. This was a very serious problem with gasoline leaking into the river, and gasoline vapors in the sewer system, catch basins and cellars of a few nearby buildings. The proper authorities were notified and the owners were ordered to clean up the spill and repair the tanks on site. I have proposed that the Town of Maynard develop and adopt a by-law which would give the town better control of our safety and environment.

In 1984 we purchased and placed into operation a large diameter hose system utilizing 5 inch hose, 4-way hydrant valve and incoming pressure relief valve. By using this system, we have a greater water supply immediately available at the fire scene. This allows for a large volume initial fire attack by the first responding manpower. One 5 inch line can supply the same volume of water as 5 to 6 lines of the size that we used previously. This hose can be repacked wet, thus requiring less hose inventory.

Many of the fire hydrants in town were painted by your fire department with paint purchased by the Department of Public Works.

Our efforts in the areas of Fire Prevention and Fire Safety Education continued again this year. Inspections of all businesses and industrial property within the town is underway. These "in-service" inspections benefit both the fire department and the property owner. Most businesses welcome our input on how they can make their

workplace more safe from fire. Many other inspection services are provided by the department, including oil burner inspections, smoke detector placement and inspections, inspection of flammable liquid and flammable gas storage and fire alarm inspections.

Planning for a safer future is also a big part of our job. Plans review of subdivisions, condominium developments, and new commercial and industrial properties were carried out this year on an increased scale. In an effort to ensure a better level of fire protection for the future, this department sponsored and won passage of a fire code requirement mandating that new commercial and industrial buildings greater than seventy-five hundred square feet in size be equipped with automatic sprinklers.

Education of the public as to the dangers of fire is an ongoing responsibility of the fire service. Again this year, the school children were visited by our mascot "Sparky the Dog". Older school children in the special needs program were given more detailed instruction on fire safety, and high school students in the Community Affairs Class learned of the operations of their Fire Department. Also, congratulations to the members of the Firefighter's Union who made a float on Fire Safety for the Christmas Parade, which was received very well.

The Fire Department Emergency Medical System continues to work extremely well, again with the thankful addition of the advanced life support Paramedics from Emerson Hospital. We continue to train and recertify all 17 of our Emergency Medical Technicians in the latest basic life support skills available. We also utilize the Emerson Hospital Paramedics to do in-service training sessions to enable our EMT's to better assist the Paramedics in advanced life support for critical patient care.

For those interested in statistics, the number and types of calls responded to by this department is listed separately.

In conclusion, I would like to thank the Honorable Board of Selectmen, the Police Department, the Department of Public Works, Board of Health, the Building Inspector, Wire Inspector, other town employees and Officials, the citizens of the Town of Maynard and all others who have assisted the Fire Department over the past year for their cooperation and support.

Respectfully submitted,  
*Ronald T. Cassidy*  
Ronald T. Cassidy, Fire Chief

## REPORT OF THE GAS INSPECTOR

To the Honorable Board of Selectmen

There were 139 Gas Permits issued, an increase of 10 over the previous year. Inspections were made on all work called for by plumbers and gas fitters.

I would like to thank the Board of Selectmen for their cooperation.

Respectfully submitted,

William Freeman  
Gas Inspector

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen:

There were 118 Plumbing Permits issued in 1984. Inspections were made on all work called for by plumbers.

I would like to thank the Board of Selectmen and the Board of Health for their cooperation.

Respectfully submitted,

Raymond A. Smith  
Plumbing Inspector

OFFICE OF THE  
INSPECTOR OF WIRES  
MAYNARD, MASSACHUSETTS

Jan. 14, 1985

To the Honorable Board of Selectmen:

Herewith is presented the report of the  
Wire Department for the year ending December 31, 1984

There were one hundred & sixty-one (161) permits  
issued during this period:

76	New & Updated Services
30	New Homes
15	Gas Burners
12	Swimming Pools
12	Misc. Wiring
11	Industrial Wiring
2	Condos
1	Parking Garage
1	Sewer Bed
1	Credit Union Bldg.

TOTAL 161

The Wire Department wishes to express their thanks  
to the Board of Selectmen, the Fire Department and the  
Boston Edison Company for their help and constant  
support.

RESPECTFULLY SUBMITTED,

BENJAMIN A. BIGUSIAK  
Inspector

VICTOR A. CARUSO  
Asst. Inspector

JAN LORING, THE LIBRARY LADY, WILL BE REMEMBERED BY ALL OF US, FOR HER 12YRS. WORKING IN THE LIBRARY. SHE WAS ALWAYS WILLING TO HELP EACH CHILD AND ADULT, WITH A RARE SENSE OF HUMOR MIXED IN WITH EXPERTISE OF BOOK KNOWLEDGE. SHE HAS BEEN MISSED ---

ANNUAL REPORT OF THE LIBRARY TRUSTEES

WE DEDICATE OUR ANNUAL REPORT IN MEMORY OF JAN LORING.

HEREWITH IS SUBMITTED THE ANNUAL REPORT OF THE TRUSTEES OF THE MAYNARD PUBLIC LIBRARY ENDING DEC. 31, 1984.

MRS. MARJORIE MELLOR CHOSE NOT TO RE-RUN FOR LIBRARY TRUSTEE AND MR. ROY JOHNSON WAS ELECTED TO REPLACE HER ON THE BOARD. MR. WILLIS BEAN WAS RE-ELECTED FOR A 3YR. TERM.

THE BOARD ELECTED MR. PHILIP W. BOHUNICKY, CHAIRMAN. MR. WILLIS BEAN, SECRETARY. MR. ROY JOHNSON, 3RD. PERSON

TO YOU, MARJORIE MELLOR WE WERE FORTUNATE TO HAVE BEEN ON THE BOARD DURING YOUR TENTURE AS TRUSTEE. YOUR INDEPTH KNOWLEDGE OF BOOKS, BUSINESS ADMINISTRATION, AMONG MANY THINGS -- HAVE ENRICHED OUR LIBRARY, BOTH FOR THE PRESENT AND FUTURE. FOR THAT-- WE AND THE TOWN'S PEOPLE ARE GRATEFUL. WE WISH YOU THE BEST IN YOUR ENDEAVOR OF ACHIEVING YOUR GOALS AND THE BEST TO YOUR FAMILY.

WITH LEVEL FUNDING SPENDING, WE STILL MAINTAIN FULL LIBRARY SERVICES. ONLY WITH 'LIMITED CUT BACKS' IN CERTAIN AREAS.

WE NOTE THE FOLLOWING ---

- 1 - CLOSER WORKING RELATIONSHIP BETWEEN THE PUBLIC, PAROCHIAL, AND PRE-NURSERY SCHOOLS.
- 2 - INCREASE STUDENT AND PATRONS AS WELL AS CHILDREN USING THE LIBRARY.
- 3 - OPENING MORE HOURS AND SATURDAYS.

CONTINUE -

- 4 - RECEIVED AN FY - '85 LIBRARY INCENTIVE GRANT OF \$4,795.00 OF WHICH WAS DEPOSITED IN THE TOWN OF MAYNARD'S GENERAL FUND.
- 5 - RECEIVED THE NEWEST EDITION, THE COMPLETE BIBLE IN BRAILLE.
- 6 - INCREASED ATTENDANCE DURING STORY HOUR.
- 7 - A NEW LIBRARY SIGN IN FRONT OF THE LIBRARY, DONATED BY KELLY AND DEMETRIAS WEEKS OF GOLDEN EAGLE SIGN CO. WE THANK THEM VERY MUCH.
- 8 - FRIENDS OF THE LIBRARY, GIVING OF 3 PASSES TO MUSEUMS THRU OUT THE BOSTON AREA. THEY ARE- CHILDREN'S AND SCIENCE MUSEUMS ALSO DRUMLIN FARM. THANKS TO THEM.
- 9 - MRS. ELIZABETH DRAKE, HEAD LIBRARIAN, IS A MEMBER OF A SPECIAL COMMITTEE TO STUDY, 'THE NEEDS OF SMALL LIBRARY'.
- 10- TV OUTLET INSTALLED BY ADAMS RUSSELL COMMUNICATIONS.
- 11- INCREASED TOTAL CIRCULATION OF BOOKS AND AV EQUIPMENT PLUS AV MATERIALS.

THE FUTURE GOALS, BOTH SHORT AND LONG RANGE, ARE AS FOLLOWED ---

- A - OPENING LONGER HOURS.
- B - OPENING ON SUNDAYS.
- C - A TERMINAL FOR CABLE TV.
- D - A PERMANENT CHILDREN'S STORY TELLER.
- E - A COMPUTER FOR THE LIBRARY.
- F - INCREASE BOOK VOLUMES.
- G - INCREASE AV EQUIPMENT AND AV MATERIALS.
- H - IMPLEMENT ENERGY CONSERVATION RECOMMENDATIONS.
- I - BETTER VISIBILITY FOR THE LIBRARY --
  - 1 - LIGHTING.
  - 2 - SIGNS.
- J - HANDICAPPED ACCESS.
- K - ELECTRIFY 'DUMMY ELEVATOR'.
- L - ACCESS TO TOWN COMPUTER.
- M - NEW TOYS FOR THE CHILDREN'S AREA.
- N - INCREASE SPANISH BOOKS AND MATERIALS.
- O - REINSTATE PROJECTS FOR THE ELDERLY.

WE AS TRUSTEES, UNDERSTAND THAT THE TOWN HAS PREFERENCE BASED ON IMPORTANCE OF NEEDS. HOWEVER, SINCE BABALONIAN AND EGYPTIAN DYNASTIES --- KNOWLEDGE WAS RECORDED IN LIBRARIES AND USED BY SCHOLARS DOWN THRU THE AGES. IN ESSENCE, THE LIBRARY IS THE SEAT OF FINDING AND GAINING KNOWLEDGE.

CONTINUE -

IT IS FELT THAT WITH BOTH BELIEVING AND DETER-  
MINATION, THE LIBRARY WILL GAIN PROMINENCE AND ''EX-  
TRA MONEY'' TO BETTER SERVE IT'S PATRONS BOTH YOUNG  
AND OLD.

RESPECTFULLY SUBMITTED BY ---

*Philip W. Bohnuicky*  
PHILIP W. BOHNUICKY, CHAIRMAN.

*Willis Bean*  
WILLIS BEAN, SECRETARY.

*Roy Johnson*  
ROY JOHNSON, 3RD. MEMBER

## ANNUAL REPORT OF THE LIBRARIAN

The library was a busy place this past year. Our end-of -the- year statistics show a large increase in the circulation of library materials and a similar increase in the use of the library premises. As in the previous year, the library became a depository for State and Federal Tax Forms, including instruction manuals and cassettes. 'IRS time' was a busy time in the library.

Books: publishing, distribution and selection' was the topic of the Massachusetts Library Association mid-winter conference. It was a successful conference providing much useful information for all libraries. Of special interest was the formation of a committee called: 'Options for small libraries' of which I became a participating member. The Maynard Library represents the Eastern Region. The purpose of this committee is to meet the needs of the small library and to formulate specific recommendations. In order to do so effectively, the committee applied for and received a grant to do this study. By actively participating in this yearlong project, the Maynard Library not only receives close attention from support agencies, but the Trustees and the town will be provided with a detailed blue print for the future.

This year I also met with teachers from the elementary schools and the Junior and Senior High Schools in a newly formed committee to create and publish a reading list for students to use during the summer months. All students were asked to do some reading from this list during their vacation. In order to facilitate the availability of the suggested books, they were placed in the Maynard Public Library.

Despite the newness of the project, it was a success in that the books were available when the students wanted them. It also brought

many people to the library who otherwise would not have come at that time of year. This added feature of having school books in the public library certainly was a contributing factor to a very busy summer.

The library's own summer reading program called: 'Discover New World's' was well received by the younger readers, especially by those children who did not have school assignments. Each child received a packet that promoted their summer reading effort by encouraging them to keep a log of their progress. Special displays throughout the summer months featured topically chosen books for this program. Each library staff member worked with each child on a name basis, thereby encouraging personal contact that would continue throughout the year.

It should be noted that the library staff was able to help the special needs among students doing summer reading. A student with a vision difficulty was aided by a large print edition of the requested book and also a magnifying glass where no large print was available. A student with a learning disability was able to check out a cassette version of his assigned book.

The Friends of the Maynard Library were very active this year. Through hard work and boundless enthusiasm this group raised enough money to purchase passes to the Boston Childrens Museum, The Drumlin Farm in Lincoln and, new this year, to the Museum of Science in Boston. The Friends also purchased and created art work in the Children's area. They came to the library regularly to help with odd jobs, kept the pre-school area neat, washed toys and cleaned shelves in the children's area.

Among the fundraisers the Friends organized the annual booksale in Memorial Park which was combined this year with an equally successful bakesale.

During the winter vacation a rollerskating party was organized at the Roller Rink in Hudson for all the children in town with parents admitted free. The success of this event may make this an annual happening. The Friends are enthusiastic, full of ideas and certainly an invaluable group in their support of the library and, therefore, of the community at large.

In addition to the summer reading programs, the story time sessions and film programs during school vacations, the library also sponsored a money management seminar, presented by the firm: Wadell and Reed. A special program showing the film: 'My mom's having a baby' with guest speaker Frank Hill in attendance, who answered questions from the audience afterwards. The Friends of the Library hosted the event and served refreshments after the program.

Among the many books and items of interest displayed in the glass display cases, those loaned by Mr. and Mrs. W. Carboni were very popular.

Towards the end of the year a period of transition began for the staff in the library. It was a sad time with the death of Janice Loring. We all knew Jan had been ill for some time, but none of us realized how seriously ill she had been. Her death came very unexpectedly - she is missed by all of us who worked with her and by the many patrons she served so well for many years.

An extended hospital stay and a maternity leave among other staff members created shortages and difficulties in the scheduling of library hours. However, the library was able to continue to provide service after Carol Pomfret joined the staff permanently.

## STATISTICS 1984

### Circulation

Book Circulation	32325
Non-book circulation	2748
Total	35073

### Inventory

Books owned '83	32167

Total items	34309

## DONATIONS

Gifts of books or memorial donations were made during the year by Janine Boothroyd, John Kellog, Mary Beth Balle, Cheryl Bouchard, Maynard Alcoholic Anonymous, The Donald Null Family, Celia Gruber, Eileen Mahoney, Vito, Jennie and Helen Carbone, Helen I. Marsden, Grace M. Cantino, William Kirkpatrick Walters, Margie Kelly, Alice Miller, Merwin Memorial Fund for Animals, Friends of the Maynard Public Library, C Edward Williams and Brad Thompson. Donations were made in memory of Polly Tarr, Bella Gruber, John Hellawell, Katherine A. Sheridan, Agnes Kirkpatrick, Janice Loring Cardine Graceffa, Joseph P. McWalter and parents of Celia Gruber.

## STAFF

During the year staff included: Elizabeth Drake, Head Librarian; Kristin Bierly, Assistant Librarian; Jane Misslin, Circulation Librarian; Winnifred Hearon and Carol Pomfret, permanent part time. Among the many students who started their working career in the library was Lori Picorelli, who worked until other commitments demanded more of her time. The current pages are Pam Boothroyd and Bob Rodday. Carolyn Stock filled in for Jane Misslin while she was on maternity leave.

Respectfully submitted by:

Elizabeth Drake,  
Head Librarian

## REPORT OF POLICE CHIEF

TO: THE HONORABLE BOARD OF SELECTMEN

Submitted herewith is the Annual Report of the Maynard Police Department for the Year 1984.

The Department has continued in its policy to review all areas of its operation including its budget and initiate change where needed to reflect both community as well as department needs. The addition the past year of a Lieutenant's position will be invaluable in helping to cover our manpower needs along with improving and maintaining some important programs and services. As to other positions, we have completed our fifth year of operation with an Interim Chief and are looking forward to the results of a Sergeant's exam taken in October that will allow us to fill two open Sergeant's positions. The past year has also seen several officers come and go; two to leave to private industry were Officers Joseph Tetreault and William Gudzinowicz who served their community well. The appointments of Officer Karl Nyholm in March and of Officer David Stephens in July have helped to keep the department up to strength. I believe that in the very near future the Town should consider whether the present Civil Service System is a benefit or a detriment to the Town due to its testing and hiring procedures that are not only adding substantial costs to the municipalities but has also reduced the level of candidates to select from.

Of high priority is the need for better facilities which has been stressed for a long time. The formation of a building committee this fall to address the needs of the public safety departments will hopefully result in the creation of a much needed new police station in the very near future.

Our continuing efforts to update and improve equipment at no cost or minimal cost was realized again this year with the acquisition of a word processor and video camera equipment at no cost, new shotguns and a base radio at minimal cost and a mug shot camera setup through a generous donation again this year from Mrs. Ann Duclos. The old teletype system was also replaced the past year with a new CRT unit making the operation both faster and more efficient.

We again this year expanded our programs directed toward our youths as well as continued our existing programs (Officer Phil, Horizons for Youth, Drug & Alcohol Awareness and Safety programs) in which Officer John Marcey, our Juvenile/Safety Officer has done a good job.

The efforts of other officers in the area of crime

prevention, traffic enforcement, various crime investigations, and prosecution of their cases the past year has been excellent and a credit to our community. The expansion of our children's fingerprint program to cover all age groups this fall will help provide a source of identification information to help when anyone is lost, missing or injured in an accident.

Training is another area we have been working to improve, especially inservice training. The Department has just joined the Northeast Regional Police Institute thru which each officer will be receiving one week of inservice training every year beginning in January. Officers will also continue to attend other police related courses and seminars provided by Federal, State and Local agencies to help improve their skills.

We have continued to update and add to our Traffic Rules and Regulations. One important addition this year has been handicap parking which we never had. We also began using a new type mail-in parking ticket.

In the area of calls for service and police assistance the department received over 5387 calls for police response or assistance compared to 4790 for 1983. We served 238 arrest warrants, capias, 209A's and summons for other departments as well as our own.

The parking section processed over 8,096 tickets, 4,742 hearings, fine and registry letters and 267 summons.

Accidents reported this year totaled 480 compared to 430 for 1983. 66 accidents involved personal injury, 6 involved pedestrians (9 in 1983). 51 were hit and run (42 in 1983). We had 1 fatality (0 deaths in 1983).

In conclusion I would like to thank and commend the Honorable Board of Selectmen, the Fire Department and Retired Chief George Whalen for his past years of assistance and cooperation, Department of Public Works, the Auxiliary Police, other Town Employees and Officials, the Maynard Rod & Gun Club for the use of its ranges, the citizens of the Town and all others that have assisted the Police Department over the past year for their cooperation and valuable support.

Respectfully submitted,

Arner S. Tibbetts  
Chief

THE LIST OF COURT CASES AND OTHER ACTIVITIES FOR THE  
POLICE DEPARTMENT FOR THE YEAR OF 1984 IS AS FOLLOWS:

Stolen bicycles-----	22
Stolen motor vehicles-----	36
Suspicious persons/motor vehicles-----	245
Trespassing-----	88
Vandalism-----	209

## REPORT OF THE RECREATION COMMISSION

The Maynard Recreation Commission hereby submits the following report for 1984:

### SUMMER PLAYGROUND PROGRAM

The past summer a six-week playground program was offered at three locations, Crowe Park, Roosevelt and Green Meadow Playgrounds.

Youngsters in kindergarten to grade four attended Roosevelt and Green Meadow Playgrounds. Crowe Park Playground was used for youngsters in grades five to twelve. The youngsters who attended the playgrounds were involved in all types of games, sports as well as arts and crafts. All the youngsters who attended the playgrounds this summer enjoyed themselves, had a lot of fun, and an opportunity to keep busy on hot summer days.

All the playground staff members were local youngsters, who had an opportunity to work on a playground in order to earn some money to help further their education. Both the youngsters and the recreation staff enjoyed their summer at the playgrounds. Each youngster paid a six dollar registration fee.

### WINTER INDOOR GYMNASTICS PROGRAM

The Recreation Commission sponsored a ten-week gymnastics program for girls in grades four to eight. The program was held at the Fowler Junior High School Gymnasium on Summer Street from November to mid-February. Classes were held Tuesday, Wednesday and Thursday evenings from 5:45 to 8:00. The girls learned various skills on the different types of gymnastics apparatus. Each class session begins with a vigorous exercise session to help to improve flexibility. The gymnastics program is an instructional program to help teach girls the proper methods of doing gymnastics. The girls are divided into smaller groups at each piece of gymnastics equipment for a greater learning situation. Each year the interest in girls gymnastics seems

to increase. This gymnastics program was partially subsidized by a registration fee of \$20.00 that each girl paid for the program. The last class session was open house night, wherein parents attended to view the performance of the gymnasts.

#### WINTER LEARN-TO-SKI PROGRAM

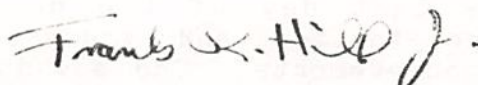

This winter the Recreation Commission again sponsored a Learn-To-Ski Program for Maynard youngsters in grades three to eight. The program was held Saturday mornings at the Nashoba Valley Ski area in Westford, Massachusetts. Each Saturday the youngsters received a one-hour ski lesson, plus two and one-half hours of free skiing. The program runs for six weeks from January to mid-February. Buses were used to transport youngsters to and from the Nashoba Valley Ski area. Two hundred youngsters participated in this program. Interest in skiing seems to grow every year. Each youngster paid directly to Nashoba Valley \$46.00 for the lessons and skiing, and \$25.00 if they rented equipment. Each youngster paid \$12.00 for bus transportation. The cost of the bus transportation use to be included in the recreation budget, but the money got cut from the budget, so that the Recreation Department does not provide the transportation. The Recreation Department offers the program but the majority of the costs are paid by the youngsters in the ski program. This is the tenth year the Recreation Department has sponsored the ski program.

The Recreation Commission wishes to thank Mr. Joseph F. Kulevich, (E.M.T.) Recreation Director, and all his staff for a job well done.

We wish to thank the Maynard School Committee, Superintendent Dr. Peter Delmonico, all the school custodians, the Public Works Department, Superintendent Tom Sheridan, Foreman Walter Szkolowski, Police Chief Arner Tibbitts, the Police Department, the crosswalk guards, and all those who help make the 1984 Maynard Recreation program a huge success.

Respectfully submitted,

MAYNARD RECREATION COMMISSION

Frank Hill, Chairman  
Dorothy Maki, Secretary  
Alfred Guay  
Valerie Gramolini  
Florence Tomyl

## MAYNARD RECREATION SWIMMING PROGRAM

The Maynard Recreation Commission again sponsored a summer swimming program in 1984. It was a four-week program held during the month of July at Boone Cove Swimming area in Stow, Massachusetts. Youngsters in kindergarten to ninth grade participated in the program. A total number of eight individual class levels were offered. Three beginner classes, advanced beginner, intermediate swimmer and basic rescue. The individual classes were kept small so that the youngsters were able to obtain more instruction time. The youngsters who were in the advanced life saving course were constantly given written as well as required practical tests. These advanced life saving students had to view nine rescue films that were part of the course that the American Red Cross required. American Red Cross patches were awarded to all those youngsters who passed advanced life saving and basic rescue. The swimming director and the water safety instructors taught all the youngsters the proper methods of performing artificial respiration on practice manikins. All youngsters were taught how to use rescue equipment to save someone who may be in trouble or drowning.

Some of the new rescue and safety equipment that was purchased for this program included a two-man rescue can, one-single man rescue can, two Coast Guard approved ring buoys, two rescue tubes, 200 feet life line, a waterproof long back board and twelve life jackets. In order to aid the young beginning students twenty-four new kickboards were purchased.

The swimming staff consisted of the swimming director, four water safety instructors, four high school swimming aides, and four volunteer aides. The swimming staff attended classes on emergency procedures, neck and back injuries, and C.P.R.

Each youngster that participated in the swimming program had to pay a \$21.00 registration fee. Some one hundred and sixty youngsters took part in the program.

The last day of the program was Parents Day. Parents were invited and youngsters demonstrated their skills and achievements. The advanced life saving students and the basic rescue students conducted real life search and rescue type missions for the parents to view. Swimming,

racers, diving competition, and relays were held during the last half of the classes. All the youngsters who participated in the program this year were presented patches, ribbons and certificates for all their efforts.

The Recreation Commission would like to thank the Swimming Director, Mr. Joseph F. Kulevich, E.M.T., and all the swimming staff for a job well done.

A special thanks to all the bus mothers and all others who helped make the 1984 Maynard Recreation Swimming Program a huge success.

Respectfully submitted,

MAYNARD RECREATION COMMISSION

REPORT OF THE MAYNARD HISTORICAL COMMISSION

FOR THE YEAR 1984

To the Honorable Board of Selectmen:

We herewith submit the Annual Report of the Maynard Historical Commission for the year ending December 31, 1984.

Pursuant to the purposes of the Commission to preserve, promote, and develop the historical assets of the town, we have continued to work closely with the Maynard Historical Society.

The Maynard Historical Society was an outgrowth of the Maynard Historical Committee which, after eight years of research and study, compiled and published a complete history of the Town of Maynard in connection with Maynard's Centennial Celebration in 1971.

Through the years, and 1984 was no different, students and other individuals from Maynard, as well as from other cities, towns, and colleges, have been allowed to do research in the Historical Society's room in the Town Building. In this research they have been assisted by Historical Commission Chairman Ralph L. Sheridan, who is also curator-archivist of the Maynard Historical Society and Town Historian. We cannot even begin to estimate the number of hours Mr. Sheridan has cheerfully devoted to this activity. He has also spent many hours with Maynard elementary and junior high school pupils who are brought to the Historical Society's room by their teachers. These pupils are allowed to browse, are given a brief talk on some aspect of the town's history, and their questions, if any, are answered. During 1984 Mr. Sheridan and Commission Member Joseph E. Boothroyd cooperated with Social Studies teachers from the Fowler Junior High School in preparing slides for a teaching unit on Maynard for presentation to their classes. We have continued to cooperate with the members of the Museum Project of Digital Equipment Corporation.

We have worked with the historical societies of Sudbury and Stow. Before the Town of Maynard was incorporated in 1871 it formed parts of these towns. In 1983 Mr. Forrest Bradshaw of the Sudbury Historical Society gave a guest lecture on an ammunition train that passed through this area during the American Revolution. In 1984 Mr. Ralph L. Sheridan presented a lecture-slide show on the "Maynard Mill" to the members of the Sudbury Historical Society. In November of 1984 Mr. Ralph Crowell, President of the Stow Historical Society, gave a lecture-slide presentation on the old houses of Stow. Mr. Sheridan will return the favor presenting a lecture-slide program on "Maynard" for the members of the Stow Historical Society sometime during 1985.

Monthly meetings of the Maynard Historical Society are held in the Town Building on the fourth Monday of September, October, November, January (snow date February), March (Annual Meeting), and April (Open House). These are open meetings. Townspeople are invited to become members.

Articles, books, pictures, etc. of historical value are accepted and displayed in the Historical Society's room in the Town Building. Hundreds of pictures grace the walls of the room, with artifacts on display in glass cases. We urge our fellow townspeople not to dispose of any articles/memorabilia pertaining to Maynard before contacting the Society. The Historical Society is the proper repository for all items that bear on the history of our town.

Respectfully submitted,

Ralph L. Sheridan, Chairman  
Winnifred G. Hearon, Secretary  
Joseph E. Boothroyd  
Elizabeth M. Schnair  
Benny M. Sofka

To the citizens of the Town of Maynard we hereby present the report of the Planning Board for the year 1984.

The Board met throughout the year on the second and fourth Tuesday of each month, except during the months of July and August when only one meeting was held in each month. One special meeting and 6 public hearings were also conducted.

During the past year the Board has worked in cooperation with the Department of Public Works, the Conservation Commission, the Board of Selectmen, the Board of Appeals, and other Town Agencies as well as the people involved in Ledgewood Condominiums, Oak Pond Realty Trust, Digital Credit Union, the Heather Hill Estates and Wood Farme subdivisions.

The Board has worked on revising the Town By-Laws as needed. The Planning Board attempts to serve the best interest of the Town of Maynard, and would like to thank those people who attended hearings and expressed ideas and concerns. Finally the Planning Board would like to thank Helen Hatch for her many years of service to the Board and the community. Her term expired in 1984 and she did not seek re-election. Henry T. Hanson was elected to fill her place.

Respectively submitted,

William F. King, Chairman  
James F. Coleman  
James A. Ford  
Henry T. Hanson  
Charles Garlisi

## SELECTMEN'S REPORT

To the Citizens of the Town of Maynard

The Board of Selectmen are proud to submit their report for the calendar year 1984. In May the Board welcomed back after re-election, Robert Gilligan. In August, Selectman Samuel Wade resigned after purchasing a home in Stow. On December 10, a Special Election was held with Anne Flood being elected as Selectman.

The year 1984 was an interesting one with an Annual and Special Town Meeting being held in May. Highlights of the year are as follows:

### JANUARY

Wes Construction of Dedham awarded Parking Deck bid. Selectmen agree to lease the second floor of Coolidge School to Fisher Junior College. Selectmen, Finance Committee and Assessors meet to discuss Town wide revaluation. Board of Health, DPW, Town Counsel and Selectmen meet to discuss closure and acquisition of landfill on Waltham Street.

### FEBRUARY

Arts Lottery Commission members are re-appointed for another term. Veterans of Foreign Wars receive warning for after hours violation. Selectmen attend breakfast meeting with Senator Atkins to discuss Town and State issues. Selectmen choose American Municipal Systems Inc. to provide software for new computer system. Selectmen conduct evaluation of Administrative Assistant.

### MARCH

Selectmen meet with Arts Lottery Commission for progress report. Bernie Lynch of Balmoral Group Consultants tells Board of plans to apply for housing and commercial rehabilitation grant. Karl Nyholm is appointed Temporary Police Officer. Ralph Sheridan is named as official "Town Historian". March 10 thru 17 is declared "Girl Scout Week" in Maynard. Final Round receives warning for after hours violation. Selectmen and School Committee met to discuss maintenance arrangements of the Coolidge School. Selectmen decide to sponsor an article to purchase Simeone land on Summer

Street. Chamber of Commerce conducts informational meeting concerning downtown revitalization.

#### APRIL

P.J. Whitney's receives warning for after hours violation. Mai Ling Hutchinson is appointed to the Arts Lottery Commission. Public Hearing is held to restrict traffic entering Old Marlboro Road. Selectmen and Adams Russell Cablevision continue to disagree over rate increase. Preparation of Town Meeting warrant is completed. Pre-construction conference is held on Parking Deck project. Selectmen declare the last week of April "Youth Activities Week"

#### MAY

Selectmen renew Blue Cross/Blue Shield policy. Rob Albright of Stow inquires about Crowe Island gravel removal via Winter St. Parking Deck construction begins. Selectmen review Town Accountant job performance and appoint for additional three years. Town Meeting voters approve expenditures for Alumni Field Tennis Court renovation, revaluation of property, creation of a Lieutenants position in Police Department, installation of energy efficient windows at Roosevelt School and purchase a new DPW truck. Special Town Meeting authorizes purchase of Simeone Land. Asst. Secretary of EOCD Gerry St. Hilaire tours downtown Maynard. Selectman Gilligan is re-elected to another three year term.

#### JUNE

Selectmen continue to discuss rate increase with Adams Russell with compromise offer made by Selectmen. Charles Garlisi, Jr. is appointed to Planning Board. Selectmen deny rooming house license to 9 Linden Street. Selectman Wade becomes representative to Middlesex County Advisory Board. Joint meeting between School Committee and Selectmen appoints Diane Bruckert to fill vacancy on School Board. Captain Ronald Cassidy is appointed as Fire Chief to replace George Whalen who is slated to retire in September. Selectmen decide to file for injunctive relief in court against Adams Russell over rate increase. Selectmen form study committee to analyze need for new Police Station.

#### JULY

Elm Court residents petition for reduced speed limit. Selectmen begin new policy of reviewing Class II (used

car) licenses. Selectmen discuss fall and winter priorities. Tennis Court renovation bids are opened. Selectmen apply for low-interest mortgage program for homebuyers from Mass. Housing Finance Agency.

#### AUGUST

Turner Road residents petition to close road to traffic. Arthur Yarronton is appointed to Conservation Commission. Madeline Lukashuk is appointed to Board of Registrars for another term. Fire Chief Designee Cassidy is appointed "Municipal Right to Know Coordinator". N. E. Sealcoat receives Tennis Court bid. Selectmen file for mediation with AFSCME Union. Selectmen Wade resigns from the Board of Selectmen as he is soon to be a resident of Stow. Selectmen raise concerns with fire damaged building on Main St. Neal Donovan resigns from Cable TV Committee. Selectman Waldron is appointed new Chairman. Town receives \$415,000. housing and commercial facade grant from EOCB.

#### SEPTEMBER

Community Development Director Bernie Lynch details waterfront park and Town Common Grant applications. Frank Nee resigns from Zoning Board of Appeals. Selectmen deny rooming house license at 28 Concord St. Selectmen set December 10 as date for Special Election for Selectmen. Selectmen suspend P.J. Whitney's liquor license for three days. La Paris Rome restaurant is transferred to new owners, to be called La Grange. Selectmen set October 30 as next Town Fathers Forum. The Selectmen, Board of Health and DPW meet to discuss request of Town of Acton to hook up to Maynard's Sewer System. Testimonial dinner is held at Alphonse's for retiring Fire Chief George Whalen.

#### OCTOBER

Nickel Inn restaurant license is transferred. Secretary of Communities and Development visits Maynard to tour downtown and view development projects. VAX 11/750 Computer system is installed in Town Building. Town Fathers Forum is held to discuss Town issues. Joe Raposa resigns from Cable TV Commission.

## NOVEMBER

Final Round liquor license is transferred to be called Sit'N Bull. Selectmen attend open house sponsored by Ft. Devens. Ad-Hoc Police Station Committee begins visiting modern newly built facilities. Parking Deck is formally opened and dedicated to the memory of Raymond Sheridan, Sr. Selectmen discuss inactivity of the Civil Defense department and ask for more positive results. Regional meeting held in Acton to discuss MAPC study of regional problems.

## DECEMBER

Anne Flood is chosen Selectman at Special Town Election. The firm of A.R. Belli of Newtonville is chosen as contractors for the Downtwon Traffic Improvement Project. Selectmen conduct a Public Hearing concerning sale of land to First Bible Baptist Church. Used car (Class II) licenses are reviewed with renewal criteria established. Maynard's Old Fashioned Christmas Parade is an overwhelming success attracting a good crowd.

The Board of Selectmen continued their active role in the Massachusetts Municipal Association, Middlesex County Advisory Board and Metropolitan Area Planning Council. Individual Selectmen also served on various committees and ad-hoc groups in the Assabet Valley Area,

The Board would like to extend its sincere appreciation to Congressman Shannon, State Senator Chester Atkins and Representative Argeo P. Cellucci for their help and cooperation in dealing with federal, state and local issues during the past year.

In closing, the Selectmen wish to thank all the various Boards and committees for their tireless efforts and the cooperation extended to us over the past year. We especially wish to thank the citizens of Maynard on whose behalf we serve.

Respectfully submitted,

THE BOARD OF SELECTMEN

Mark L. Waldron, Chairman  
Robert P. Gilligan, Clerk  
Anne D. Flood

MAPC Annual Report to the Town  
of Maynard

Maynard is a member of the Metropolitan Area Planning Council (MAPC) comprising 101 communities in the metropolitan Boston area. The MAPC makes regional plans and policies and provides technical assistance to member communities. In 1984, Maynard's MAPC membership assessment at 17.3 cents per capita, was \$1,659.

Maynard benefited from the following regional plans, policies, or programs: The Overall Economic Development Program, and the Transportation Improvement Program (required to maintain eligibility for federal funds to these areas). Zoning reviews and comments (to assist communities to indentify and modify development projects to minimize adverse impacts and to promote cost effectiveness), census data forecasts and analyses, land use maps and tables, showing changes since 1971, legislative monitoring and analyses of proposed legislation are among the other services the MAPC provides to Maynard. Several workshops covering economic development, street standards, and local zoning issues were also held during the year, and a public outreach program, which alerted travelers to the reconstruction of the Southeast Expressway, was instituted during 1984. Publications which benefit Maynard include the Massachusetts Small Cities Program Handbook and the Community Profiles Series, a reference guide for each of the 101 MAPC communities.

I am proud to have been of service to Maynard as its MAPC Representative.

Michael J. Gianotis  
MAPC Representative

REPORT OF THE SUPERINTENDENT OF PUBLIC WORKS  
TO THE COMMISSIONERS OF PUBLIC WORKS

Herewith is submitted the Annual Report of the Superintendent of Public Works for the calendar year ending December 31, 1984, which includes the divisions of Highway, Water, Sewer, Cemetery, Sanitary Landfill, Parks, Trees, and Administrative.

HIGHWAY DIVISION

Chip-Seal

The following streets were treated with a special mixture of emulsion and latex chip-seal.

<u>Street</u>	<u>Length</u>
Amory Avenue	1483 lin. ft. - Full Length
Brigham Street	385 lin. ft. - Full Length
Guyer Road	665 lin. ft. - Full Length
Hazelwood Road	631 lin. ft. - Full Length
Jethro Street	633 lin. ft. - Full Length
Loring Avenue	1725 lin. ft. - Full Length
Orren Street	375 lin. ft. - Full Length
Elm Court	813 lin. ft. - Full Length
Whitney Avenue	243 lin. ft. - Full Length

Riverview Avenue was reconstructed using the stabilized base method with a "cold mix" wearing surface sealed with oil and sand. White Avenue was reconstructed with a base course applied. The final surfacing will take place in 1985.

Sand-Seal

<u>Street</u>	<u>Length</u>
Riverview Avenue	Full Length
Elaine Avenue	Full Length
Assabet Street	Elaine Avenue to Stow Line

A considerable amount of castings were adjusted this year.

Catch basin casting adjusted	- 80
Drain manhole castings adjusted	- 30
Sewer manhole castings adjusted	- 50
Water gate valve boxes adjusted	- 40

There was crack filling work done this year in the Municipal Parking Lot prior to resurfacing.

There was infra-red pavement reclamation done on main roads around manholes, and old trenches. This type of work extends the patch life of the trenches.

#### CHAPTER 90 CONSTRUCTION

The "1984" monies were used for work on Summer Street - Phase II - from Durant Avenue to Howard Road. We used the "stabilized base" method for the reconstruction. A sidewalk was also constructed along the north side of the road. The work on Summer Street - Phase I - will be completed in the Summer of 1985.

#### CHAPTER 90 - MAINTENANCE

These monies were used for casting adjustments on main roads.

#### SIDEWALKS

The following streets had sidewalk work done on them.

##### A. Cement Concrete Type

Various sections throughout town, mainly in "New Village".

##### B. Bituminous Concrete

Summer Street - New sidewalk constructed between Durant Avenue and Howard Road on the north side - a distance of about 1,500 lin. ft.

- Various other bituminous sidewalks were repaired town wide.

#### DRAINAGE

A. Catch basin installed on Winter Street along with 40 feet of 12-inch pipe.

B. Catch basins (2) installed on South Street by #3 along with 30 feet of pipe - drywell type.

C. Catch basin installed on Summer Street by #141 - inlet type.

- D. Catch basin installed on Summer Street by Stow Line along with 300 feet of a crushed - stone swale.
- E. Catch basin installed on Tremont Street by #5 - dry well type.
- F. Catch basin installed on Tower Road by condominiums emergency access along with 80 feet of 12" pipe.

Repairs were made to catch basins on Parker Street, Main Street, Waltham Street, Thompson Street, Garfield Avenue, Reo Road, Old Marlboro Road, and Powdermill Road.

The culverts were checked and cleaned as needed. The brooks were checked periodically especially during inclement weather and cleaned of dirt, leaves and other debris. The catch basins were checked and 852 were cleaned by a hydraulic clam shell type machine during the summer of 1984. The drain lines on Florida Road, Main Street at Rt. 117, Bellevue Terrace, Linden Street, and Mayfield Street were cleaned with a hydraulic cleaner.

#### TRAFFIC SIGNS, STREET SIGNS, AND LINE PAINTING

Existing regulatory and warning signs installed	-	40 ea.
New regulatory and warning signs installed	-	30 ea.
Existing street name signs installed	-	15 ea.
Pavement Marking:		
Crosswalks and stopline	-	6,400 lin. ft.
School signs (school)	-	14 ea.
Yellow and white lines	-	35,000 lin. ft.
Federal arrows - (directional)	-	12 ea.
"Only" signs	-	2 ea.
Parking on-street (T's & L's)	-	308 ea.
Parking off-street (Municipal Lot)	-	195 spaces
Meter Poles installed	-	30 ea.
Meter Poles straightened	-	20 ea.
Catch basin arrows (yellow)	-	800 ea.
Concrete Posts - guard rails - painted	-	125 ea.

In addition the traffic island, fence rails, and curbing were also painted.

## REGULAR MAINTENANCE

There were some 100 small hot-topping jobs using some 450 ton of type I mix. These were applied to sewer, water, drainage trenches, berms, run-off swales, driveway aprons, road depressions, etc. that were prepared during the year.

This year was not as bad for litter as previous years. The roadsides, alleys and municipal parking lots were constantly combed for trash and debris.

The grass was cut along the roadsides and between the guardrails. Herbicides were also applied to help reduce man hours.

All of the streets in Town were swept in the spring and other times, as needed. The C.B.D. area (downtown) was swept two times a week, weather permitting. The sidewalks were swept and debris removed. The railroad tracks at Summer Street were removed, regraded, and paved.

# Vehicle-Equipment

Over the past few years we have discussed a program for vehicle-equipment replacement. The program was to be so planned and scheduled so that the Town would not have to face a large expenditure in any one Year.

I have prepared a list of our present vehicle-equipment for your review.

## Fleet Inventory

of

## Vehicles and Equipment

42.	1984	International Tractor	36,000	N/A	\$ 53,000.00	\$ 55,000.00
N/A = Not Applicable						

As you can readily see from the list the average age of the vehicle-equipment is some fourteen  $\pm$  years while the current replacement costs are 2-3 times the original purchase costs.

During 1984 we acquired a new 35,000 G.V.W. Dump Truck with a diesel engine, and a new 1984 International Tractor - Tank Trailer unit for hauling liquid sludge from the W.W.T.P. to North Andover. The State and Federal Government paid 90% of the tractor-trailer cost. We plan to submit a major capital equipment acquisition plan for the 1985 Annual Town Meeting.

#### STREET LIGHTING

We have continually upgraded the program of on and off the street lighting at a very minimum increase in cost.

There are currently some 935 street lights installed. All of them are either mercury vapor or high pressure sodium. We will be installing all high pressure sodium in the future as the cost to operate is much cheaper.

#### SNOW AND ICE REMOVAL

All of the streets were plowed and sanded and/or salted as needed. The snow was removed from the central business areas after each storm. The snow was, also, removed from several of the narrow streets and main thorough fares and hilly sections as time allowed and as necessary for passage. All of the churches, funeral homes and parking lots were cleared of snow and thoroughly sanded. There were eighty-four sand barrels placed throughout the Town, particularly in the hilly area and important intersections.

### CEMETERY DIVISION

Grave Openings (including holidays and weekends)	- 59
Foundations for monument bases	- 22
Flat Markers set	- 16
G. I. Markers set ( 1 granite, 8 bronze, 0 marble)	- 9
Liquid Fertilizer	- 55 gals.
Liquid grass retardant (headstones)	- 10 gals.
Liquid weed killer - used on gravel roadways throughout cemetery	- 25 gals.
Complete mowing of cemetery	- 18
Sunken graves filled	- 12
Trees (Maple) removed due to disease and die-back	- 6
Elm Tree's diseased and removed	- 2
Trees planted in Cemetery	- 8

There is still a continuing problem with vandalism in the Cemetery. We are constantly having to deal with these problems. The Police are always notified, but as of yet have not been able to come up with something substantial enough to prosecute. The "giant vac" was put into use for the leaf pick-up with the assist of part-time high school students.

Thomas Lydon, an employee assigned to the Cemetery Division was stricken with a heart attack. He had to go through major surgery resulting in him being unable to resume his duties. He will be sorely missed by the Department.

### WATER DIVISION

#### Water Pumping Record in Gallons

	<u>1974</u>	<u>1983</u>	<u>1984</u>
January	36,234,000	29,543,000	29,552,000
February	31,700,000	25,600,000	26,788,000
March	30,879,000	28,133,000	27,358,000
April	38,677,000	28,137,000	28,522,000

## HYDRANTS

New fire hydrants installed	- 3 ea.
Existing fire hydrants repaired and replaced	-
Existing fire hydrants anti-freezed	- 48 ea.

All of the fire hydrants were tested by the Fire Department and the conditions and results were noted.

## WATER DIVISION - GENERAL

As a result of a grant from the Federal Emergency Management Agency we were able to install some 800 feet of 12-inch water main on Old Marlboro Road.

The work on the reservoir construction with our Chapt. 805 matching grant monies was under way in the fall. The reservoir should be on line in January 1985. The remaining monies will be used for water line work during 1985.

The Board of Health is considering a Fluoride Program for the water system. This will be under discussion during 1985.

The negotiation with the Fire Academy for changes in their connection to White Pond went very good. The system proposed when installed should benefit everyone.

## WATER SERVICES AND CONNECTIONS

Existing house service connections relayed	- 9 ea.
New House service connections installed	- 5 ea.
House service connection leaks	- 10 ea.
Main water breaks	- 4 ea.
Frozen house service connections	- 2 ea.
Existing water meters replaced due to being worn out	- 75 ea.
New water meters installed	- 10 ea.
House service connection curb boxes replaced	- 25 ea.
Main roadway valve boxes replaced	- 10 ea.
Outside meter recorder units installed	- 5 ea.

The water meters were read on two occasions during the year, February-March and August-September. We try to read each and every meter. This practice has resulted in higher revenue in the water commitment and helps eliminate confusion between estimates and post cards returned.

SEWER DIVISION - GENERAL

The upgrade of the W.W.T.P. began in July. It is scheduled to be completed in the summer of 1986. At the close of the year the new plant was approximately 25% complete.

A section of sewer main - approximately 500 feet - on Walnut Street between Main Street and River Street was "slip-lined" with a plastic sleeve to remove the infiltration that was leaking into the collection system.

An employee, Carl Mansfield, assigned to the Waste Water Treatment Plant Division as Foreman retired during the year as a result of heart problems. Carl was an asset to the operation and was instrumental in having the plant upgraded. He will be missed by the department.

## PARKS DIVISION

The Memorial Park was maintained throughout the year and received regular mowing of grass, trimming of shrubs, fertilizing, etc. All trash and debris were removed on a regular basis. Flowers were planted in the park around the monument for Memorial Day.

The John A. Crowe Park was mowed regularly, litter and debris picked up, fertilized and bare spots seeded.

The part at the intersection of Acton, Haynes, and Concord Street was maintained throughout the year and received regular mowing of grass, fertilizing, seeding of bare spots and planting of trees.

## TREE DIVISION

### Public Shade Trees

Public Shade Trees planted spring	- 46
Public Shade Trees topped out	- 60
Public Shade Tree Trunks removed	- 35
Public Shade Tree Stumps ground up	- 20
Public Shade Trees trimmed (aerial bucket)	- 120

The public shade tree requests for planting continually exceed the amount we may purchase. As a rule of thumb for every public shade tree you remove you should replant three. We are currently replacing at less than a one for one level.

Various shade trees throughout the Town were trimmed and hazardous limbs were removed. The broken and fallen limbs were removed and cleaned up. The over hanging brush was cut from along the roadsides and at the intersections that obstructed the view for motorists.

We have put more emphasis into trimming of dead and decayed limbs from trees in hopes of prolonging the life. This is a more costly method, but would probably offset itself, by saving more trees than planting new ones in their place.

### Dutch Elm

Most of the Elm Trees were observed town wide for infection of the Dutch Elm Disease. Samples were taken from those trees believed to be infected.

There were 12 samples sent to the Shade Tree Laboratories, U. Mass., where they were analyzed to determine if they were infected. There were 18 trees removed that were either completely infected or dead.

#### Weed and Poison Ivy Control

The control of weeds and poison ivy is limited due to the lack of equipment and chemicals. The small amounts that were treated at various locations around town was limited to town land only.

#### Insect Pest Control

Due to lack of funds the insect pest control is very limited. The department removed some 16 wasp-hornet nests last fall. This work has to be done at nightfall.

We have been limiting the spraying for other insects such as aphids, to the trees and shrubs on Town owned land; cemetery, parks, municipal buildings.

#### ADMINISTRATIVE DIVISION

During the year the department met with and assisted many of the Town Departments, Boards, and Committees. We have continually helped in any area that we could provide assistance.

The department assisted the Police Department with installation of traffic sign, and meter posts throughout the year.

We, also, provided assistance where possible to the Assabet Valley Little League, Maynard Softball League, Will Dodd Boy's Club, local churches and several other non-profit organizations. This work was limited and was used as a fill in type of work when available.

#### STATE AND FEDERAL GRANTS

The following is an update of the list of the major proposed Public Works Projects to be under construction during 1985.

#### PROJECT

1. Downtown Traffic Improvement Project  
(start-Spring, 1985 - complete Summer, 1986)  
Grantee - Selectmen  
Total Project Cost - \$1,800,000.00  
Town Share - None

2. Parking Deck and Related Construction - 54 cars  
(start-Spring, 1984 - complete Fall, 1984)

Grantee - Selectmen

Total Project Cost - \$750,000.00

Town Share - None - Project completed

3. Summer Street Reconstruction - Phase II  
(start-Summer, 1984 - complete Fall, 1984)

Grantee - Department of Public Works

Total Project Cost - \$90,000.00

Town Share - None - Project completed

4. Assabet River Sludge Abatement Project  
(start-Summer, 1985 - complete Fall, 1985)

Grantee - Board of Health

Total Project Cost - \$300,000.00

Town Share - None

5. Upgrade W.W.T.P.  
(start-Summer, 1984 - complete Summer, 1986)

Grantee - Department of Public Works

Total Project Cost - \$5,350,000.00

Town Share - 10% - Project 25% complete

6. Water Improvements - Town Wide  
(cover old reservoir and 5,000 lin. ft. pipe)  
(Phase I-start-Fall, 1984 - complete Fall, 1984)  
(Phase II - pipe work - Summer of 1985)

Grantee - Department of Public Works

Total Project Cost - \$700,000.00

Town Share - 50% - Reservoir phase completed

7. Sanitary Landfill - Closeout  
(start Summer, 1985)

Grantee - Board of Health

Total Project Cost - \$800,000.00

Town Share - 100% - possible 80% State Funds

TOTAL CONSTRUCTION COSTS - \$9,790,000.00

FEDERAL AND STATE SHARE - 8.1 to 8.7 Million

TOWN SHARE - 1.1 to 1.7 Million

In conclusion, I wish to thank the Commissioners, Public Works Employees, and all others who have cooperated and assisted during the year.

Respectfully submitted,

Thomas J. Sheridan

Superintendent of Public Works

ANNUAL REPORT OF THE PUBLIC WORKS COMMISSIONERS TO THE  
CITIZENS OF MAYNARD

Herewith is presented the Annual Report of the Board of Public Works for the year ending December 31, 1984.

The Board conducted 15 regular scheduled meetings, and 2 special meetings during the year. The Board members attended various public hearings and meetings conducted by other Boards or Committees during the year and reported on matters concerning or affecting the Department of Public Works.

The use of Crowe Park and Memorial Park was granted to various local organizations for their planned events.

The public shade tree problem continues with twice as many trees being removed as planted. We need to upgrade the tree planting program to at least a one for one basis and also consider a major town wide tree pruning program.

Our road program consisted of Chip-seal work using emulsion with alatech additive. This application has proven to work the best with virtually no "stripping of the stone" on the streets.

The Chapter 90 work consisted of the reconstruction of Summer Street Phase II (Durant Avenue to Howard Road) using the pavement reclamation method rather than full depth excavation of the base. A sidewalk was also constructed within the same area.

The department again hired a private contract service to perform a town wide street sweeping during the Spring of 1984. As expected this again worked out excellently, cutting costs in half over doing it ourselves, and the job was done within two weeks time.

We acquired a new 35,000 G.V.W. Diesel Dump Truck in the late fall. The Board will be reviewing a major capital equipment acquisition program for presentation at the Annual Town Meeting in 1985.

Vandalism continued to be a problem at the departments building sites. This was especially a problem at our Old Marlboro Well Sites during the fall. The Police Departments were able to determine who was doing the damage. This case is presently in the judicial system.

We had a slight problem with "brown water" again. This was caused by an iron bacteria "Gallionella" at the Old Marlboro Road Well Site. The problem was rectified with a chemical treatment. In the future we will be assessing a treatment process for our well sites to improve the quality of the drinking water.

The local Board of Health in conjunction with the State Public Health Department are proposing a fluorida-

tion program for the drinking water. There are many pros and cons on this program. This will be discussed more during 1985.

The department was the recipient of a \$46,790.00 grant from F.E.M.A. (Federal Emergency Management Agency) to install some 800 feet of 12-inch water main on Old Marlboro Road. The Board spent considerable time negotiating with the Mass. Fire Academy concerning an upgrade in their water use for the training program at the proposed new Fire Academy to be constructed within the next few years. We believe we have developed an agreement that is a benefit to both parties.

The Old Stone Reservoir had a new dome constructed over it as a result of a matching grant from D.E.Q.E. The reservoir should be put on line during January 1985. The second phase of the grant, pipe replacement, should take place during the summer of 1985.

The Board received official notice that the Mass. Department of Public Works will construct a new salt storage shed (500 ton). The shed will be constructed at the Winter Street Site in the spring of 1985.

The Board conducted five sewer connection hearings in 1984.

The W.W.T.P. Upgrade has been under construction since July.

At the close of the year it was approximately 25% complete. The scheduled completion is July 1986.

The Board entertained a proposal from the representative from the Town of Acton to connect South Acton into our W.W.T.P.

The Board held several hearings and meetings on this subject. The Board reviewed the data submitted along with a report from our engineers.

The recommendation from various Town Boards and Committees was against the connection. Public sentiment was also against the connection.

After serious consideration the Board felt that we did not have enough excess capacity to take on Acton's connection when you consider Maynard's future growth and needs. Therefore, the Board decided not to bring it to Town Meeting for consideration.

In closing we wish to thank all Town Officials and Boards, the Superintendent of Public Works, and the employees of the Public Works Department for their kind cooperation during the past year.

Respectfully Submitted,

John J. Tobin, Chairman  
John J. Barilone, Secretary  
Michael Tomyl, Member

## Annual Report of the Assistant Superintendent of Schools

Dear Dr. Delmonico:

Although my first annual report to you covers only the part of the school year after I began working on December 1, 1983, I am pleased to be able to report a number of accomplishments completed by the staff in the specific areas of my responsibility.

In Special Education, approximately 260 students received direct services for part or all of their school day within our special classes, resource rooms or through collaborative or private programs. We also completed a revision of the Procedures Manual to streamline the process of referral and evaluation cutting down on the paper work as much as possible while still meeting the extensive documentation requirements of the State Department of Education. In addition, two other projects that had been started in past years were successfully concluded. A special education computerized data management program has been implemented saving a significant amount of staff time in case management and in the preparation of required statistical reports. The other project was a three year review of our kindergarten screening procedure. We studied the results of our screening in terms of the accuracy of high risk student identification. We were able to conclude that the screening is an effective instrument in the early identification of students who will have learning problems. We will continue to monitor student progress to learn from follow-up how we can make the screening even more accurate.

Our two school nurses manage the Health Program very efficiently in our four schools. All of the basic requirements under our state approved plan were completed including maintenance of student health records, vision and hearing tests, growth assessments, postural screening and provision of first aid services. In addition, the nurses have responsibilities for the health assessment component in special education and in kindergarten screening. This year the nurses applied to the State Division of Dental Health for a grant to provide a fluoride mouthrinse program in the elementary schools. The application was approved and the program will be implemented in September, 1984 for those children whose parents give specific permission. This procedure has been shown to be effective in the prevention of tooth decay.

The Bilingual/English As A Second Language Program for Hispanic students has completed the second year of a three year approved program. It was necessary to hire a bilingual tutor and an ESL tutor part-time for the secondary level in addition to our bilingual teacher and ESL teacher who provide services at the elementary level. Approximately 40 students received direct instruction through the program which is transitional in nature. The major goal is to bring the students to the point of being able to participate full time in

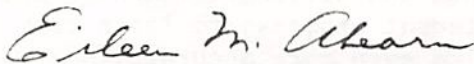

Annual Report of the Assistant Superintendent (Continued)

classes conducted in English. While they are developing English proficiency, they receive instructional reinforcement of classroom curriculum in Spanish. A special project this year has been the planning of a new pre-school program for non-English proficient students. Plans have been completed for the implementation of the new program in September. It will be monitored closely in future years to assess its effectiveness in preventing the high percentage of failure by our bilingual students at the kindergarten level.

Systemwide testing with the Comprehensive Test of Basic Skills (CTBS) was again carried out at the grade 1 through grade 12 levels. A new representative Testing Committee will be formed next year to do a comprehensive review of our testing procedures and policies and make recommendations to the School Committee.

During the brief time I have been a part of the Maynard Public Schools, I have developed a deep respect for the ability of the staff to meet the needs of our students. I sincerely appreciate the welcome and help I received in joining the school system and I assure you of my commitment to excellence in carrying out my responsibilities in the coming year.

Respectfully submitted,

Eileen M. Ahearn, Ph.D.  
Assistant Superintendent

## ANNUAL REPORT

### PRINCIPAL

#### MAYNARD HIGH SCHOOL

Dear Dr. Delmonico:

The intent of this report is to highlight some of the school's improvements and accomplishments along with its concerns and priorities.

Insofar as the physical plant is concerned, improvements include: repairing the roof, relining the boilers, retiling all corridor floors, installing new sound systems in the auditorium and gymnasium, purchasing stool cafeteria tables and installing florescent lighting in the corridors, kitchen and auditorium.

During the next few years monies are needed to: replace cafeteria and classroom floor tiles, repaint the gymnasium and shower room ceilings, refinish the gymnasium and auditorium floors and install a chain link fence around the baseball and football fields.

In the curriculum, Pre-Algebra was added to bridge the gap between Math I and Algebra I. Advanced Algebra was scheduled for students not meeting the prerequisites to take Trigonometry.

Also, beginning with the present sophomores, graduation requirements will include passing three years of social studies. The change is that tenth graders must now successfully complete a year of modern world history or a semester of sociology and a semester of world cultural concepts.

It is noted, too, that beginning with the class of 1987, all students entering Massachusetts State Colleges must complete three years of mathematics and two years of a foreign language.

The Alternative Learning Program (ALP) was approved to meet the needs of students who have the ability to learn but who do not achieve due to adjustment, behavioral or other non-academic problems. Goals of the program include: helping students to acquire pre-vocational skills, to improve students' academic skills and abilities, and to help students to gain a more positive self-image and sense of responsibility.

During the past few years, the high school computer program has grown from four (4) terminals to the present system which includes an 1144 main frame and thirty-two (32) terminals. Computer training is available to our students in several departments in a variety of ways and more teachers are being exposed to the concepts of computer use. Some of our students, who are highly skilled in computer techniques, instruct both students and staff in computer uses and in the operation of the system.

Annual Report of the Maynard High School Principal continued.

In addition to educational programming for students, administrative software is being loaded in order that several of the major student service needs be computerized (attendance, grade point averages, rank-in-class).

In an attempt to improve the courses offered to students and to be cognizant of all educational programs and administrative services pertinent to our use, staff members will continue to attend appropriate workshops and conferences.

At this juncture, however, the programs available to our students and the services being provided for them need to be coordinated under the supervision and direction of a system-wide computer manager.

The most glaring weaknesses in the school's curriculum exists primarily in the areas of language arts. Proficiency in reading and language as reflected in the results of the Comprehensive Tests of Basic Skills (CTBS) and the Scholastic Aptitude Tests (SAT) are below the National and State norms. Students in some classes are deficient in reading comprehension, language expression and library skills.

In this regard, action has been taken as follows:

1. The School Committee approved a summer reading program which required that all students read during this past summer a minimum of their books. During the first week in September, students were tested to determine to what extent they had read their books. Overall, the program was very successful. Mr. Joseph Magno is heading a committee made up of staff, students and parents to recommend changes in the structure and requirements of the reading program.
2. A system-wide committee has been formed to review SAT results and to make recommendations to increase student scores.
3. The School Committee has voted that students are not to be taken out of English/Reading classes to participate in any other instruction or activity unless the activity is directed exclusively towards the enhancement of reading skills or language arts.

Annual Report of the Maynard High School Principal continued.

4. Team Leaders have been asked to review the results of the CTBS scores and to make recommendations to modify curriculum guides to help correct existing deficiencies.

I wish to express my most sincere appreciation to the teachers and staff, parents, administrators and members of the Maynard School Committee for their support and cooperation.

Respectfully submitted,

KENNETH G. ABBOTT  
Principal  
Maynard High School

REPORT OF THE PRINCIPAL  
FOWLER JUNIOR HIGH SCHOOL

Dear Dr. Delmonico:

I hereby submit the Fowler Junior High School Principal's Annual Report for the year 1984.

Our initial involvement with Nature's Classroom was very successful. Sixty-nine of our seventh graders visited Thompson Island (located in Boston Harbor) and participated in an environmental program during the week of October 29th. My congratulations and thanks go to Donald Holm who chaired the project and to the following staff members who were generous with their own time in order to be with our youngsters: Charles Bennett, Joseph Cincotta, Brian Kelley, Noreen Pitts, Patricia Porter, Kathleen Manchester, Steven Soldi and Robert Truscott. Plans are presently underway to schedule the trip again next year.

Our parent notification system has been in effect for one month at the time of this writing. As you know, we have asked parents when students are going to be absent from school to call Fowler at 897-6700 between the hours of 7:30 and 8:30 A.M. When the student is marked absent and we have not received a telephone call from the parent, we will attempt to contact the parent to insure the safe whereabouts of the student. Many parents have been very cooperative. We would hope as parents become acclimated, all will call.

Planning on the Fowler Sustained Silent Reading program is underway. A period of time each day will be devoted to silent reading for both students and staff. The purpose is to cultivate reading for pleasure. There will be no tests!

We have issued a call for parent volunteer aides. The volunteer might be coming once to share his or her expertise or might be coming on a regular basis to help out in areas such as library, art and enrichment. From time to time, the school needs people to chaperone field trips and various social activities.

Creative problem solving, a science enrichment program, has been well received in Mr. Bennett's classes.

The Distinguished Student Awards, for unusual service to our school, have been earned by five students since September of the school year. They are Michael Rosko, Shirley Maciel, Jennifer Bariteau, David Mancini and Duane Gaumont.

Suzanne Morse, a sixth grade student from Mrs. Coan's class, is to be congratulated for winning the annual Exploring Culture Regional Writing Contest sponsored by the Central Massachusetts Department of Education.

In September of the 1984-85 school year, I received a Chapter Two Federal Grant for the Town of Maynard in the sum of \$9,375. Money went to the elementary, junior high and senior high levels, as well as St. Bridget's. This money is based on school population in Maynard. The Advisory Committee is composed of Donald Cranson, Sr. Mary Lou Graziano, Linda Koskinen and Richard J. Morse.

Our first formal parent/teacher conferences for this year were held both in the afternoon and evening on October 17th. A total of 341 conferences were held.

The Special Education Department is developing an awards program for the purpose of motivating and recognizing the academic, social and personal growth of resource room students. Recipients of the Tiger Award will be selected on a monthly basis by the resource room staff.

The English-Reading Department's publication of Fowler Junior High Fabrication was met with success. Their new Summer Reading Program, Spelling Bee and Spelling Program (grades 5-8) are noteworthy.

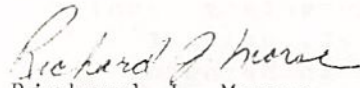

Our academic program commencing September 1984 consists of the following:

- Grade Five - Mandatory for all - Language Arts, Social Studies, Mathematics, Science, Reading, Gym Music and Art  
Electives - Band and Chorus  
Enrichment - Language Arts
- Grade Six - Mandatory for all - Language Arts, Social Studies, Mathematics, Science, Health, Reading, Gym, Music and Art  
Electives - Band and Chorus  
Enrichment - Language Arts
- Grade Seven - Mandatory for all - Language Arts, Social Studies, Mathematics, Science, Reading, Gym, Music, Art, Industrial Arts/Home Economics  
Electives - Band and Chorus  
Enrichment - Science and Language Arts
- Grade Eight - Mandatory for all - Language Arts, Social Studies, Gym, Art, Industrial Arts/Home Economics Mathematics, Science, Life Studies, Computers  
Electives - Band and Chorus  
Enrichment - Science and Language Arts

In closing, I wish to express my most sincere appreciation to the teachers and staff, parents, administrators and members of the Maynard School Committee for their excellent support and cooperation this year.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Richard J. Morse".

Richard J. Morse  
Principal  
Fowler Junior High School

RJM:lk

ANNUAL REPORT  
PRINCIPAL  
ROOSEVELT SCHOOL

Dear Dr. Delmonico:

In accordance with custom, your principal reports to you significant developments at the Roosevelt School.

We continue in our efforts to meet the needs of the individual students so that they can successfully meet the needs of our ever changing society.

We are in our ninth year of Chapter I "Catch Up" Program. Those children who are having difficulties in reading and math are referred for testing and given individualized instruction. This program enables them to catch up with their grade level.

This is our second year in providing an Enrichment Program. This program is offered to students whose general aptitude, creative abilities and a degree of being task orientated merits them an additional learning experience. In the Enrichment Center, the students are exposed to activities designed to bring out creative expressions and encourage original thinking. The program is striving for an atmosphere that will be conducive to exploring the children's feelings and values. One of the goals is to work toward the development of research skills and techniques to make the students a self directed learner. It is hoped that the students participating in this program will serve as a source of enrichment to other students in the school.

The Minimum Competency Test was given again this year to students of grades two and four. This test covers reading, writing, math, and also a listening test was given for the second time. Tests were completed in compliance with the Massachusetts Department of Education Basic Skills regulations. Parents were notified if their child passed or failed the test. This test will be given again during the Spring of 1985. Children at the Roosevelt School were given a comprehensive test of basic skills.

We are now in our fourth year of a revised Bilingual Program. In addition to our Bilingual Teacher, we also have an E.S.L. Teacher (English as a second language). All the children are assigned to the regular classroom and taken out to receive individualized instruction.

During release time the staff met and a) reviewed existing curriculum, b) reviewed our objectives and compared the test scores nation wide, and c) attended workshops on testing, health and first aide, and our special education program.

Our school has taken part in many out of school activities. Grade

Annual Report of the Roosevelt School Principal continued.

four took part in a bowling program, and field trips were made to the Museum of Science, Rockport, Sturbridge Village and the Boston Aquarium.

Activities that took place during the school year were two safety programs, monster parade, Electric Safety Program, Thanksgiving Pageant, story teller, drug and alcohol program and puppet show.

During the past year the Roosevelt Parents Group continued their helpful program. This group provided aides to teachers, sent out news letters, recycled materials, and provided extra programs for the children. The parents held a Christmas Fair to provide funds for the following programs; Audubon Ark Program and a Story Teller. The children and staff wish to thank all the parents involved in providing the above services.

We at the Roosevelt School wish to thank the School Committee, Administration and Parents for their support during the year.

*J. M. J. Gammeter*

## ANNUAL REPORT OF THE GREEN MEADOW SCHOOL

Dear Dr. Delmonico,

I hereby submit the Annual Report for the year 1984.

### Kindergarten

This year we moved the starting age of kindergarten to five years of age by October 1, 1984. This will continue to be the starting age of kindergarten from now on, five years of age by October 1st of the year in which they will be attending.

We will continue to screen all incoming kindergarten children. Screening will be April 22 - 26, 1985. We will need to see a birth certificate at the time of registration.

### Enrollment

The new kindergarten class is currently 103 students. As this was the year we raised the kindergarten starting age, this indicates a slight raise in enrollment.

The Green Meadow currently houses 299 students and covers grades kindergarten through fourth grade. There are three kindergarten classes, two first, two second, two third and two fourth grades. We also have a small language development class of ten pupils.

### Curriculum Development

We are using the new Merrill Science Series "Accent on Science" voted by the School Committee last year. This new series has many advantages which include; a variety of topics from all science disciplines (Life, Earth and Physical) to ensure that students get a thorough understanding of science and how it affects their daily lives; an excellent blend of textbook content and "hands on" activities; a clear, interesting reading style with carefully controlled and appropriate reading levels.

Accent on Science series provides experiences which help children both develop and apply critical thinking process skills. These skills include, observing, classifying, inferring, communicating, recognizing and using spatial relationships, measuring, predicting and using numbers.

We are currently evaluating new Reading, Language Arts, and Social Studies series and will be making adoption recommendations to the School Committee by the end of this school year, at the latest.

### Maintenance

We continue the regular preventive maintenance program, replacing roof bubbles with hatches, area maintenance of the roof and routine updating of the existing lighting and heating equipment.

### Community Involvement

We now have a Green Meadow Parents Group headed by Mrs. Janet Krause. They are engaged in fund raising and support activities for our school. They, thus far, have had a successful cake sale and have sponsored a story teller session for the entire school.

We continue to be very appreciative of the many parents and volunteers who help us during the school year. Without volunteers, many of our school activities would be impossible; field trips, special class projects, book sales, and many other activities depend on parental help.

We would like to thank John Marcey, Safety Officer of the Maynard Police Department for his excellent safety presentations: in particular the "Officer Phil" program for the 4th graders on substance abuse and the superb magic show on bus and pedestrian safety.

We would like to thank Tom Sheridan and the Maynard Department of Public Works for the continuing help in keeping up the Green Meadow Grounds, and a very special thank you for the help with our new playground.

We would like to thank Captain Bob Loomer of the Maynard Fire Department for his excellent "Sparky - the Fire Dog" safety presentations.

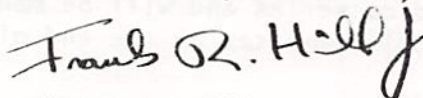

And finally I would like to thank the dedicated group of parents who spent a Saturday helping assemble and install our new gym bars and slide. I still have nightmares about the instruction booklet that casually told us that we had to turn that 1500 pound slide over and tighten the bolts on the other side. Thanks again, that was clearly above and beyond the call of duty.

### Summary

It has been a productive year. The enrichment program has been expanded to include selected second graders.

The new Science Series is going well. We have several curriculum study committees hard at work, with recommendations expected in the near future. Don Holm, the new Curriculum Director has been a real help in researching and brainstorming problems and solutions. We are making progress in many areas.

Respectfully submitted,

Frank R. Hill, Jr.  
Green Meadow School Principal

## ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL COMMITTEE AND CITIZENS OF MAYNARD:

I herewith submit my fourteenth Annual Report for the Maynard Public Schools.

Enrollment continues to decline in 1984, a reduction of 54 students (4%) from the previous year. Current projections indicate a continued decline of 3-4 percent per year for the next 5 years.

The per pupil expenditure in the Maynard Public Schools increased slightly during 1984 and was slightly above the State average.

This past year saw the establishment of a school-community group to review public education in Maynard and make recommendations for its improvement. The Planning Committee was comprised of parents, teachers, administrators, School Committee members, and other interested citizens. This committee, after many meetings and much hard work, made 28 specific recommendations to the School Committee in March of this year. It is my opinion that a great deal of progress has been made regarding the Planning Committee's report. Work in this area will continue through 1985.

One of the major recommendations of the Planning Committee resulted in the re-establishment of the position of Director of Curriculum, and of the Adult Education program.

The Coolidge School building became the new home of the School Committee and central office personnel. This building had been closed since 1981 and turned over to the Selectmen.

Corporate grants/contributions from Digital Equipment Corporation and from Data Terminal/Datachecker provided with additional electronic data processing equipment.

A more detailed account of the specific activities and program of the Maynard Public Schools during 1984 is contained in the Administrators reports which follow.

I wish to express my sincere appreciation to the Maynard School Committee for their support and confidence. Also, I would like to thank the school staff and Town Officials for their encouragement and cooperation during the past year.

Respectfully submitted,

PETER A. DELMONICO, JR.  
SUPERINTENDENT OF SCHOOLS

This cover for the Annual Report of the  
Maynard Public Schools was designed by  
TRACEY LYON, a Grade 12 student at  
Maynard High School.

Honorable Mention is also made for the  
effort and contribution of John Paananen,  
Grade II, Amy O'Connell, Grade II,  
Ed Smith, Grade 12, Emily Walazek.
