- To qualify to hold title to, and to buy or sell real estate

Number of Births recorded at this office—118

## PARENTS BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL.

### READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born.\*\*\*" Gen. Laws, Chap. 46, Sec. 6.

### Some of the many reasons why Births should be recorded:

- To establish identity
- To prove nationality
- To prove legitimacy
- To show when the child has a right to enter school
- To show when the child has the right to seek employment under the child labor law
- To establish the right of inheritance to property
- To establish liability to military duty, as well as exemption therefrom
- To establish the right to vote
- To qualify to hold title to, and to buy or sell real estate
- To establish the right to hold public office
- To prove the age at which the marriage contract may be entered into
- To make possible statistical studies of health conditions

*Your co-operation to the end that all births may be properly recorded will be greatly appreciated*

## PARENTS BE SURE TO RECORD THE BIRTH OF YOUR CHILD WITH GIVEN NAME IN FULL.

### READ THE LAW!

"Parents, within forty days after the birth of a child, and every householder, within forty days after a birth in his house, shall cause notice thereof to be given to the clerk of the town where such child is born.\*\*\*"

- To show when the child has the right to seek employment under the child labor law
- To establish the right of inheritance to property
- To establish liability to military duty, as well as exemption therefrom
- To establish the right to vote
- To qualify to hold title to, and to buy or sell real estate
- To establish the right to hold public office
- To prove the age at which the marriage contract may be entered into
- To make possible statistical studies of health conditions

*Your co-operation to the end that all births may be properly recorded will be greatly appreciated*
