His entrance in this race makes it a three cornered contest with the Emile Dumas and Leo Mullin being the Democratic candidates. The Warila is a popular business man and is considered to be one of the strongest candidates on the G.O.P. ticket.

William Stockwell who has been tax collector during the past year has decided to re-enter the tax assessor's race. a position her resirend to assume the tax collector's billet. Mr. Stockwell is another strong candidate in the ranks of the Republicans. Harold Ledgard, who was appointed to complete the term of Mr. Stockwell is not aspiring for reelection to the assessors board and thereby makes it clear sailing for "Bill" Stockwell. For a time it was believed that Mr. Stockwell would aspire to the dual jobs of Tax Collector and Town Treasurer and his removing himself from this race makes the election of Town Treasurer Howard King assured as he has been endorsed by both parties.
