*Screenplay by Clara Beranger from  
Edward Knoblock's play, "The Faun"*

As a stage play starring William Faversham, this drama had a record Broadway success.

The story advances some startling ideas about modern marriage, stripping the tinsel from high society and proving we're only human after all. A big, dazzling production, with every role in the hands of a famous player.

"The Marriage Maker" is bound to prove one of the film sensations of the season.
